LETTER TO SHAREHOLDERS

2. THE PROPOSED RENEWAL OF THE SHARE BUY-BACK MANDATE

2.1 Introduction

The adoption of a Share Buy-Back Mandate was first obtained at an extraordinary general meeting of the Company held on 27 April 2012. At the annual general meeting of the Company held on 26 April 2024 (the “**2024 AGM**”), Shareholders approved the renewal of the Share Buy-Back Mandate (the “**2024 Mandate**”). The 2024 Mandate was expressed to take effect on the date of the passing of ordinary resolution approving the Share Buy-Back Mandate at the 2024 AGM, and will expire on the date of the forthcoming AGM which will be held on 25 April 2025. The Directors propose that the 2024 Mandate be renewed at the AGM to authorise the Company to purchase or acquire Shares in the capital of the Company. The Share Buy-Back Mandate is set out as Ordinary Resolution 9 in the Notice of AGM dated 3 April 2025.

It is a requirement under the Companies Act that a company which wishes to purchase or otherwise acquire its own shares should obtain shareholders’ approval to do so at a general meeting. In addition, Rule 881 of the Listing Manual states that an issuer may purchase its own shares if it has obtained the prior specific approval of shareholders in general meeting. Accordingly, Shareholders’ approval is being sought at the AGM to be held on 25 April 2025 at 10.00 a.m. (Singapore Time) for the Proposed Renewal of the Share Buy-Back Mandate.

2.2 Rationale for the Proposed Renewal of the Share Buy-Back Mandate

The rationale for the Company to undertake Share Purchases under the Share Buy-Back Mandate are as follows:

- (a) The Share Buy-Back Mandate gives the Directors the flexibility to purchase or acquire the Shares when circumstances permit, with the objective of increasing Shareholders’ value and to improve, *inter alia*, the return on equity of the Group. A share buy-back at an appropriate price level is one of the ways through which the return on equity of the Group may be enhanced. Share purchases or acquisitions provide the Company with an easy mechanism to facilitate the return of surplus cash over and above the ordinary capital requirements in an expedient and cost-efficient manner. Share purchases or acquisitions also allow the Directors to exercise control over the Company’s share structure and may, depending on market conditions, lead to an enhancement of the earnings per share and/or net tangible assets per share of the Company.
- (b) The Share Buy-Back Mandate will provide the Company with an efficient mechanism to enhance return to Shareholders when circumstances permit. The Share Buy-back Mandate will also give the Company the opportunity to purchase or acquire Shares when such Shares are undervalued, to help mitigate short-term market volatility and to off-set the effects of short-term speculation.

As and when circumstances permit, the Directors will decide whether to carry out the Share Buy-back via On-Market Purchases or Off-Market Purchases, after taking into consideration relevant factors such as the amount of surplus cash available, working capital requirements, prevailing market conditions and the most cost effective and efficient approach.

The Share Buy-back will only be undertaken as and when the Directors consider it to be in the best interests of the Company and its Shareholders. The Directors do not propose to carry out Share Purchases to such an extent that would, or in circumstances that might, result in a material adverse effect on the financial condition of the Group, or cause illiquidity or affect orderly trading of the Shares.

Shareholders should note that the Share Buy-Back pursuant to the Share Buy-Back Mandate may not be carried out to the full extent mandated.

LETTER TO SHAREHOLDERS

2.3 Authority and limits of the Share Buy-Back Mandate

The authority and limits placed on Share Buy-Back by the Company under the Share Buy-Back Mandate, if renewed at the AGM, are summarised below:

(a) Maximum number of Shares

Only Shares that are issued and fully paid-up may be purchased or otherwise acquired by the Company pursuant to the Share Buy-Back Mandate.

Pursuant to Rule 882 of the Listing Manual, the maximum number of Shares which can be purchased or otherwise acquired by the Company pursuant to the Share Buy-Back Mandate during the Relevant Period (as defined herein) is limited to that number of issued Shares representing not more than 10% of the total number of issued Shares as at date of the passing of the Ordinary Resolution relating to the Proposed Renewal of the Share Buy-Back Mandate (excluding any treasury shares and subsidiary holdings as at that date). For the purposes of computing the 10% limit, any of the Shares which are held as treasury shares or subsidiary holdings will be disregarded.

Purely for illustration purposes only, based on the total number of issued Shares as at the Latest Practicable Date, comprising 291,714,811 Shares (excluding 581,000 treasury shares and nil subsidiary holdings), and assuming no further Shares are issued, or purchased or otherwise acquired and held as treasury shares, and no Share is held as subsidiary holdings on or prior to the AGM, not more than 29,171,481 Shares (representing not more than 10% of the total number of issued Shares excluding 581,000 treasury shares and nil subsidiary holdings as at that date) may be purchased or otherwise acquired by the Company pursuant to the Share Buy-Back Mandate.

(b) Duration of authority

If the Proposed Renewal of the Share Buy-Back Mandate is approved by Shareholders at the AGM, the authority conferred on the Directors pursuant to the Share Buy-Back Mandate may be exercised by the Directors at any time and from time to time during the period commencing from the date of the passing of the Ordinary Resolution relating to the Proposed Renewal of the Share Buy-Back Mandate and expiring on the earliest of:

- (i) the date of the next annual general meeting of the Company;
- (ii) the date by which the next annual general meeting of the Company is required by law to be held;
- (iii) the date on which the authority conferred by the Share Buy-Back Mandate is revoked or varied; or
- (iv) the date on which the Share Purchases are carried out to the full extent mandated.

(the “**Relevant Period**”)

(c) Manner of Share Purchases

A Share Purchase may be made by way of:

- (i) on-market purchases on the SGX-ST or, as the case may be, any other stock exchange on which the Shares may for the time being be listed and quoted, through one or more duly licensed stockbrokers appointed by the Company for the purpose (“**Other Exchange**”) (“**On-Market Purchases**”); and/or

LETTER TO SHAREHOLDERS

- (ii) off-market purchases (if effected otherwise than on the SGX-ST or, as the case may be, Other Exchange) in accordance with any equal access scheme(s) as may be determined or formulated by the Directors of the Company as they consider fit, which scheme(s) shall satisfy all the conditions prescribed by Section 76C of the Companies Act (“**Off-Market Purchases**”).

The Directors may impose such terms and conditions, which are not inconsistent with the Companies Act, the Listing Manual and the Share Buy-Back Mandate, as they consider fit in the interests of the Company in connection with or in relation to any equal access scheme(s).

Under Section 76C(6) of the Companies Act, an Off-Market Purchase must satisfy all the following conditions:

- (i) offers for Share Buy-Back shall be made to every person who holds Shares, to purchase or otherwise acquire the same percentage of their Shares;
- (ii) all of the abovementioned persons shall be given a reasonable opportunity to accept the offer made to them; and
- (iii) the terms of all the offers are the same, except that there shall be disregarded:
 - a. differences in consideration attributable to the fact that the offers relate to Shares with different accrued dividend entitlements;
 - b. differences in consideration attributable to the fact that the offers relate to Shares with different amounts remaining unpaid (if applicable); and
 - c. differences in the offers introduced solely to ensure that each person is left with a whole number of Shares.

In addition, Rule 885 of the Listing Manual provides that, in making an Off-Market Purchase, the Company must issue an offer document to all Shareholders which must contain at least the following information:

- (i) the terms and conditions of the offer;
- (ii) the period and procedures for acceptances;
- (iii) the reasons for the proposed Share Buy-Back;
- (iv) the consequences, if any, of Share Buy-Back by the Company that will arise under the Take-over Code or other applicable take-over rules;
- (v) whether the Share Buy-Back, if made, would have any effect on the listing of the Company’s equity securities on the SGX-ST;
- (vi) details of any Share Buy-Back made by the Company in the previous twelve (12) months (whether an On-Market Purchase or an Off-Market Purchase), giving the total number of Shares purchased, the purchase price per Share or the highest and lowest prices paid for such Share Purchases, where relevant, and the total consideration paid for such Share Purchases; and
- (vii) whether the Shares purchased by the Company will be cancelled or kept as treasury shares.

LETTER TO SHAREHOLDERS

(d) Price Restrictions

The purchase price (excluding brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses) to be paid by the Company for Shares will be determined by the Directors and must not exceed:

- (i) in the case of an On-Market Purchase, 105.0% of the average closing market price of the Shares. For this purpose, the average closing market price is:
 - a. the average of the closing market prices of the Shares over the last five (5) Market Days (on which transactions in the Shares on the SGX-ST were recorded) immediately before the date of the Share Purchase by the Company; and
 - b. deemed to be adjusted for any corporate action that occurs during the relevant five (5) Market Day period and the day on which the purchases are made (the “**Average Closing Price**”); and
- (ii) in the case of an Off-Market Purchase, 105.0% of the highest price at which a Share is transacted on the SGX-ST on the Market Day (when transactions in the Shares are recorded) immediately preceding the date on which the Company announces an Off-Market Purchase offer stating the purchase price and the relevant terms of the equal access scheme;

(the “**Maximum Price**”) in either case, excluding related expenses of the Share Buy-Back.

2.4 Status of Purchased Shares

The Shares purchased or otherwise acquired by the Company under the Share Purchase Buy-Back may be:

- (i) held by the Company; or
- (ii) dealt with, at any time, in accordance with Section 76K of the Companies Act, as treasury shares.

2.5 Treasury shares

Under the Companies Act, Shares purchased or acquired by the Company may be held or dealt with by the Company as treasury shares. Some of the provisions on treasury shares under the Companies Act are summarised below:

(a) Maximum holdings

The aggregate number of Shares held as treasury shares cannot at any time exceed 10% of the total number of issued Shares at that time. In the event that the Company exceeds the 10% threshold, the Company must dispose of or cancel these excess treasury shares within six (6) months beginning with the day on which that contravention occurs, or such further period as the Registrar of Companies appointed under the Companies Act may allow.

(b) Voting and other rights

The Company cannot exercise any right in respect of treasury shares. In particular, the Company cannot exercise any right to attend or vote at meetings, and for the purposes of the Companies Act, the Company shall be treated as having no right to vote and the treasury shares shall be treated as having no voting rights.

LETTER TO SHAREHOLDERS

In addition, no dividend may be paid, and no other distribution (whether in cash or otherwise) of the Company's assets (including any distribution of assets to members on a winding up) may be made, to the Company in respect of treasury shares. However, the allotment and issue of Shares as fully paid bonus Shares in respect of treasury shares is allowed.

A subdivision or consolidation of any treasury share into treasury shares of a greater or smaller number is also allowed so long as the total value of the treasury shares after the subdivision or consolidation is the same as the total value of the treasury shares before the subdivision or consolidation, as the case may be.

(c) Disposal and cancellation

Pursuant to Section 76K of the Companies Act, where Shares are held as treasury shares, the Company may at any time:

- (i) sell the treasury shares (or any of them) for cash;
- (ii) transfer the treasury shares (or any of them) for the purposes of or pursuant to any share scheme, performance share plan or share incentive scheme of the Company then in force, whether for its employees, directors or other persons;
- (iii) transfer the treasury shares (or any of them) as consideration for the acquisition of shares in or assets of another company or assets of a person;
- (iv) cancel the treasury shares (or any of them); or
- (v) sell, transfer or otherwise use the treasury shares for such other purposes as may be prescribed by the Minister under the Companies Act.

In addition, under Rule 704(28) of the Listing Manual, an immediate announcement must be made of any sale, transfer, cancellation and/or use of Treasury Shares. Such announcement must include details such as the date of the sale, transfer, cancellation and/or use of such Treasury Shares, the purpose of such sale, transfer, cancellation and/or use of such Treasury Shares, the number of Treasury Shares sold, transferred, cancelled and/or used, the number of Treasury Shares before and after such sale, transfer, cancellation and/or use, the percentage of the number of Treasury Shares against the total number of shares outstanding in a class that is listed before and after such sale, transfer, cancellation and/or use and the value of the Treasury Shares if they are used for a sale or transfer, or cancelled.

2.6 Source of funds

In undertaking Share Purchases, the Company may only apply funds legally available for such Share Purchases in accordance with the Existing Constitution or the New Constitution of the Company (as the case may be) and the applicable laws and regulations enacted or prescribed by the relevant competent authorities in Singapore. The Company may not purchase its Shares for a consideration other than cash or, in the case of an On-Market Purchase, for settlement other than in accordance with the trading rules of the SGX-ST.

Under the Companies Act, the Company may purchase or otherwise acquire its own Shares out of profits and/or capital so long as the Company is solvent. It is an offence for a Director or an officer of the Company to approve or authorise the purchase or acquisition of Shares, knowing that the Company is not solvent. For this purpose, pursuant to Section 76F(4) of the Companies Act, a Company is solvent if:

- (a) there is no ground on which the Company could be found to be unable to pay its debts;

LETTER TO SHAREHOLDERS

- (b) if:
 - (i) it is intended to commence winding up of the Company within the period of twelve (12) months immediately after the date of the payment, the Company will be able to pay its debts in full within the period of twelve (12) months after the date of commencement of the winding up; or
 - (ii) it is not intended so to commence winding up, the Company will be able to pay its debts as they fall due during the period of twelve (12) months immediately after the date of the payment; and
- (c) the value of the Company's assets is not less than the value of its liabilities (including contingent liabilities) and will not, after the proposed purchase or acquisition of Shares become less than the value of its liabilities (including contingent liabilities).

If the Company intends to use internal resources and/or external borrowings to finance the Company's purchase or acquisition of Shares, the purchase or acquisition of Shares will only be undertaken if it can benefit the Company and Shareholders. No purchase or acquisition of Shares will be made in circumstances which would have or may have a material adverse effect on the financial condition, liquidity (for example, share trading volume) and working capital of the Company.

2.7 Financial effects of the Share Buy-Back Mandate

The financial effects on the Company and the Group arising from its purchase or acquisition of issued Shares pursuant to the Share Buy-Back Mandate will depend on, *inter alia*, whether the Shares purchased or acquired is an On-Market Purchase or an Off-Market Purchase, whether the Shares are purchased or acquired out of capital and/or profits of the Company, the number of issued Shares purchased or acquired, the consideration paid for such Shares and whether the issued Shares purchased or acquired are held as treasury shares or cancelled.

For illustrative purposes only, the financial effects on the Company and the Group arising from its purchase or acquisition of issued Shares pursuant to the Share Buy-Back Mandate have been prepared based on the audited consolidated financial statements of the Company and the Group for FY2024, and are subject to, *inter alia*, the following assumptions:

- (a) the Share Purchases comprised 29,171,481 Shares (representing 10.0% of 291,714,811 issued Shares being the total number of issued Shares excluding 581,000 treasury shares and nil subsidiary holdings, and assuming no further Shares are issued, or purchased or otherwise acquired and held as treasury shares, and no Shares are held as subsidiary holdings on or prior to the AGM);
- (b) in the case of On-Market Purchases, the Maximum Price was S\$0.48 per Share (being 105.0% of the Average Closing Price of the Shares over the last five (5) Market Days on which the Shares are transacted on the SGX-ST immediately preceding the Latest Practicable Date) and accordingly the maximum amount of funds required for effecting such On-Market Purchases (excluding brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses), would amount to approximately S\$14.0;
- (c) in the case of Off-Market Purchases, the Maximum Price was S\$0.48 per Share (being 105% of the Average Closing Price of the Shares over the last five (5) Market Days on which Shares are transacted on the SGX-ST immediately preceding the Latest Practicable Date) and accordingly the maximum amount of funds required for effecting such Off-Market Purchases (excluding brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses), would amount to approximately S\$14.0;

LETTER TO SHAREHOLDERS

- (d) there were no expenses (including brokerage, commission, applicable goods and services tax, stamp duties, clearance fees and other related expenses) incurred in relation to the Share Purchases;
- (e) the Share Purchases pursuant to the Share Buy-Back Mandate were completed on 1 January 2024; and
- (f) the 581,000 treasury shares are not cancelled and continues to be held by the Company as treasury shares.

Pursuant to Section 76G of the Companies Act, where issued Shares are purchased or acquired, and cancelled under Section 76B(5) of the Companies Act, the Company shall:

- (i) reduce the amount of its share capital where the Shares were purchased or acquired out of the capital of the Company;
- (ii) reduce the amount of its profits where the Shares were purchased or acquired out of the profits of the Company; or
- (iii) reduce the amount of its share capital and profits proportionately where the Shares were purchased or acquired out of both the capital and the profits of the Company,

by the total amount of the purchase price paid by the Company for the issued Shares cancelled.

For the avoidance of doubt, the total amount of the purchase price paid by the Company for the Shares cancelled shall include any expenses (including brokerage or commission) incurred directly in the purchase or acquisition of such Shares which is paid out of the Company's capital or profits under Section 76F(1) of the Companies Act.

On the other hand, where Shares are purchased or acquired, and not cancelled under Section 76B(5) of the Companies Act, but held as treasury shares, there will be no change in the Company's share capital.

In both cases, the Shareholders' equity is reduced by the total amount of the purchase price paid by the Company for the issued Shares purchased or acquired.

As at 31 December 2024, the Group and the Company had cash and bank balances of approximately S\$67.6 million and S\$1.3 million respectively. In order to effect a purchase of up to 29,171,481 Shares at the Maximum Price computed as at the Latest Practicable Date, cash reserves from the Group of approximately S\$14.0 million will be required.

The NTA per Share as at 31 December 2024 will increase from 94.50 cents to 99.67 cents for the Group and decrease from 42.56 cents to 41.95 cents for the Company respectively.

Assuming that the Share Buy-Back had taken place on 31 December 2024 using internal resources, the basic EPS of the Group for FY2024 will increase from 3.28 cents to 3.65 cents for the Group and increase from 1.03 cents to 1.15 cents for the Company respectively as a result of the reduction in the number of issued Shares.

Assuming that the Share Buy-Back had taken place on 31 December 2024 using external borrowings, the basic EPS of the Group for FY2024 will increase from 3.28 cents to 3.37 cents for the Group and decrease from 1.03 cents to 0.87 cents for the Company respectively as a result of the reduction in the number of issued Shares.

LETTER TO SHAREHOLDERS

Shareholders should note that the financial effects set out above are based on the respective aforementioned assumptions, and are for illustration purposes only. In particular, Shareholders should note that the financial effects set out above are based on the audited consolidated financial statements of the Company and the Group for FY2024, and are not necessarily representative of the future financial performance of the Company and the Group.

Although the Share Buy-Back Mandate authorises the Company to purchase or acquire up to 10.0% of the total number of issued Shares (excluding any treasury shares and subsidiary holdings), the Company may not necessarily purchase or acquire issued Shares, or be able to carry out purchases or acquisitions of issued Shares to the full extent mandated.

The Share Purchases will only be undertaken as and when the Directors consider it to be in the best interests of the Company and its Shareholders. The Directors do not propose to carry out Share Purchases to such an extent that would, or in circumstances that might, result in a material adverse effect on the financial condition of the Group.

The Company will take into account both financial factors (for example, cash surplus, debt position and working capital requirements) and non-financial factors (for example, share market conditions and the performance of the Shares) in assessing the relative impact of a Share Buy-Back before execution.

2.8 Listing Manual

Rule 886 of the Listing Manual states that an issuer must notify the SGX-ST of any Share Purchase as follows:

- (a) in the case of an On-Market Purchase, by 9.00 a.m. on the Market Day following the day on which it purchased shares; and
- (b) in the case of an Off-Market Purchase under an equal access scheme, by 9.00 a.m. on the second Market Day after the close of acceptances of the offer.

Such notification must be made in the form of Appendix 8.3.1 to the Listing Manual and must include, *inter alia*, the total number of Shares purchased, the number of Shares cancelled, the number of Shares held as treasury shares, the price paid per Share or the highest price per Share and lowest price per Share, and the total consideration (including stamp duties, clearing charges, etc.) paid or payable for the Shares.

While the Listing Manual does not expressly prohibit any purchase of shares by a listed company during any particular time or times, because the Company would be regarded as an “insider” in relation to any proposed purchase or acquisition of its Shares, the Company will not undertake any purchase or acquisition of Shares pursuant to the proposed Share Buy-Back Mandate at any time after any matter or development of a price sensitive nature has occurred or has been the subject of consideration and/or a decision of the Board until such price sensitive information has been publicly announced. In particular, in compliance with Rule 1207(19)(c) of the Listing Manual, the Company will not deal in Shares during the period commencing two (2) weeks before the announcement of the Company’s financial statements for each of the first three (3) quarters of its financial year and one (1) month before the announcement of the Company’s full year financial statements (if the Company announces its quarterly financial statements, whether required by the SGX-ST or otherwise), or one (1) month before the announcement of the Company’s half-year and full year financial statements (if the Company does not announce its quarterly financial statements).

2.9 Tax implications

Shareholders who are in any doubt as to their respective tax positions or the tax implications of the Share Purchases by the Company or who may be subject to tax, whether in or outside Singapore, should consult their own professional advisers.

2.10 Application of the Take-over Code

Appendix 2 to the Take-over Code contains the Share Buy-Back Guidance Note applicable as at the Latest Practicable Date. The take-over implications arising from any purchase or acquisition of issued Shares by the Company are set out below.

(a) Obligation to make a take-over offer

Paragraph 1 of the Share Buy-Back Guidance Note states that when a company buys back its shares, any resulting increase in the percentage of voting rights held by a shareholder and persons acting in concert with him will be treated as an acquisition for the purpose of Rule 14 of the Take-over Code. Consequently, a shareholder or group of shareholders acting in concert could obtain or consolidate effective control of the company and become obliged to make an offer under Rule 14 of the Take-over Code.

(b) Persons acting in concert

Under the Take-over Code, persons acting in concert comprise individuals or companies who, pursuant to an agreement or understanding (whether formal or informal), co-operate, through the acquisition by any of them of shares in a company, to obtain or consolidate effective control of that company.

Without prejudice to the general application of the definition above, the following individuals and companies will be presumed to be persons acting in concert with each other unless the contrary is established:

(i) the following companies:

- (A) a company;
- (B) the parent company of (A);
- (C) the subsidiaries of (A);
- (D) the fellow subsidiaries of (A);
- (E) the associated companies of any of (A), (B), (C) or (D);
- (F) companies whose associated companies include any of (A), (B), (C), (D) or (E); and
- (G) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights.

(ii) a company with any of its directors (together with their close relatives, related trusts as well as companies controlled by any of the directors, their close relatives and related trusts);

(iii) a company with any of its pension funds and employee share schemes;

LETTER TO SHAREHOLDERS

- (iv) a person with any investment company, unit trust or other fund whose investment such person manages on a discretionary basis, but only in respect of the investment account which such person manages;
- (v) a financial or other professional adviser, including a stockbroker, with its client in respect of the shareholdings of the adviser and persons controlling, controlled by or under the same control as the adviser;
- (vi) directors of a company (together with their close relatives, related trusts and companies controlled by any of such directors, their close relatives and related trusts) which is subject to an offer or where the directors have reason to believe a bona fide offer for their company may be imminent;
- (vii) partners; and
- (viii) the following persons and entities:
 - (A) an individual;
 - (B) the close relatives of (A);
 - (C) the related trusts of (A);
 - (D) any person who is accustomed to act in accordance with the instructions of (A);
 - (E) companies controlled by any of (A), (B), (C) or (D); and
 - (F) any person who has provided financial assistance (other than a bank in the ordinary course of business) to any of the above for the purchase of voting rights.

In this Section 2.10(b) of this Letter to Shareholders:

- (I) “**associated company**” means a company is an associated company of another company if the second company owns or controls at least 20% but not more than 50% of the voting rights of the first-mentioned company; and
 - (II) “**close relatives**” include immediate family (i.e. parents, siblings, spouse and children), siblings of parents (i.e. uncles and aunts) as well as their children (i.e. cousins), and children of siblings (i.e. nephews and nieces).
- (c) Effect of Rule 14 of the Take-over Code and the Share Buy-Back Guidance Note

Rule 14.1 of the Take-over Code states that except with the SIC’s consent, where:

- (i) any person acquires whether by a series of transactions over a period of time or not, shares which (taken together with shares held or acquired by persons acting in concert with him) carry 30% or more of the voting rights of a company; or
- (ii) any person who, together with persons acting in concert with him, holds not less than 30% but not more than 50% of the voting rights and such person, or any person acting in concert with him, acquires in any period of six (6) months additional shares carrying more than 1.0% of the voting rights,

such person must extend offers immediately, on the basis set out in Rule 14 of the Take-over Code, to the holders of any class of share capital of the company which carries votes and in which such person, or persons acting in concert with him, hold

LETTER TO SHAREHOLDERS

shares. In addition to such person, each of the principal members of the group of persons acting in concert with him may, according to the circumstances of the case, have the obligation to extend an offer.

In addition, paragraph 2 of the Share Buy-Back Guidance Note states that a shareholder, who is not acting in concert with the directors, will not be required to make an offer under Rule 14 of the Take-over Code if, as a result of a company buying back its own shares, the voting rights of the shareholder in the company would increase to 30.0% or more, or, if the shareholder holds between 30.0% and 50.0% of the company's voting rights, would increase by more than 1.0% in any period of six (6) months, as a result of the company buying back its shares. Such a shareholder need not abstain from voting on the resolution to authorise the share buy-back, unless so required under the Companies Act.

As Mr. Tay Tian Hoe Richard and persons presumed to be acting in concert with him under the Take-over Code have an aggregate shareholding interest of more than 50.0% in the Company, the increase in the shareholding, in the event that the Company purchases the maximum number of Shares permissible under the Share Buy-Back Mandate, will not require a general offer to be made under Rule 14 of the Take-over Code.

The statements in this Section 2.10 of this Letter to Shareholders do not purport to be a comprehensive or exhaustive description of all implications that may arise under the Take-over Code. Shareholders are advised to consult their own professional advisers and/or the SIC at the earliest opportunity as to whether an obligation to make an offer would arise as a result of the Company purchasing or acquiring issued Shares pursuant to the Share Buy-Back Mandate.

Save as disclosed above, to the best of the Directors' knowledge, there are no other persons who may incur an obligation to make a take-over offer as a result of any purchase or acquisition of Shares by the Company pursuant to the Share Buy-Back Mandate. Members are advised to consult their professional advisers and/or the SIC and/or the relevant authorities at the earliest opportunity as to whether they would incur any obligation to make a take-over offer as a result of any purchase or acquisition of Shares by the Company pursuant to the Share Buyback Mandate as the case may be.

2.11 Application of the Take-over Code

No purchases of Shares have been made by the Company in the twelve (12) months preceding the Latest Practicable Date.

2.12 Reporting Requirements

Within thirty (30) days after the passing of the Shareholders' resolution in relation to the Proposed Renewal of the Share Buy-Back Mandate, the Directors shall lodge a copy of the Shareholders' resolution with ACRA.

The Directors shall lodge with ACRA a notice of share purchase within thirty (30) days after a Share Purchase. Such notification shall include the date of the purchase, the number of Shares purchased by the Company, the number of Shares cancelled, the number of Treasury Shares held, the Company's issued share capital before and after the Share Purchase, whether the Shares were purchased out of the profits or the capital of the company and such other particulars as may be required in the prescribed form.

Within thirty (30) days after the cancellation or disposal of Treasury Shares in accordance with the provisions of the Companies Act, the Directors shall lodge with ACRA the notice of cancellation or disposal of Treasury Shares in the prescribed form.

LETTER TO SHAREHOLDERS

2.13 Listing status on the Mainboard of the SGX-ST

Rule 723 of the Listing Manual states that an issuer must ensure that at least 10.0% of the total number of issued shares excluding treasury shares (excluding preference shares and convertible equity securities) in a class that is listed is at all times held by the public. The Directors of the Company will ensure that any Shares purchased by the Company will not result in a fall in the percentage of Shares held by the public to below 10.0% of the total number of issued Shares.

As at the Latest Practicable Date, approximately 40.52% of issued Shares (excluding 581,000 treasury shares and nil subsidiary holdings) are held in the hands of the public. Assuming that the Company carries out purchases or acquisitions of issued Shares to the full extent mandated i.e. up to 10.0% of the total number of issued Shares (excluding 581,000 treasury shares and nil subsidiary holdings) as at the Latest Practicable Date from members of the public, the percentage of issued Shares (excluding 581,000 treasury shares and nil subsidiary holdings) held in the hands of the public would be approximately 33.91%.

The Directors will use their best efforts to ensure that the requirements of Rule 723 of the Listing Manual are complied with and that the Company does not effect a purchase of Shares which would result in the number of Shares remaining in the hands of the public falling to such a level as to cause market illiquidity or adversely affect the orderly trade of the Shares or the listing status of the Company.

As at the Latest Practicable Date, the Company has no securities apart from its Shares listed on the SGX-ST.

3. THE PROPOSED ADOPTION OF THE NEW CONSTITUTION

3.1 Introduction

The Company is proposing to adopt the New Constitution, which consists of the Existing Constitution, and incorporate amendments to allow the Company to circulate certain documents to Shareholders via electronic means without any further action from the Shareholders, and primarily to give effect to the amendments made by the Amendment Acts to the Companies Act. In summary, the relevant amendments made by the Amendment Acts to the Companies Act for the purposes of the proposed adoption of the New Constitution pertains to:

- (a) providing for meetings to be held at a physical place, at a physical place and using virtual meeting technology; or using virtual meeting technology only, under Section 173J of the Companies Act; and
- (b) providing for the electronic transmission of notices and documents pursuant to the requirements set out under Section 387C of the Companies Act.

In addition, the Company is taking this opportunity to refine the language used in and to amend certain other provisions in the Existing Constitution, to add clarity to the provisions of the Existing Constitution.

In accordance with Rule 730(2) of the Listing Manual which provides that an issuer must make its constitution consistent with all the listing rules prevailing at the time of the amendment of the constitution, the Company confirms that the regulations of the New Constitution are consistent with all the prevailing listing rules as set out in the Listing Manual.

The proposed adoption of the New Constitution is subject to the approval of the Shareholders at the AGM via the Special Resolution and if so approved, shall take effect only upon a copy of the Special Resolution being lodged with ACRA pursuant to Section 33(9) of the Companies Act (in accordance with Section 33(10) of the Companies Act).

LETTER TO SHAREHOLDERS

3.2 Summary of Key Amendments

The following is a summary of the key proposed provisions of the New Constitution which are significantly different from the equivalent provisions in the Existing Constitution and should be read in conjunction with the New Constitution, which is set out in its entirety in **Appendix 1** to this Letter to Shareholders.

The New Constitution will replace the Existing Constitution and will incorporate amendments to take into account the changes to the Companies Act. Shareholders should note that the paragraphs below set out are only a summary of the proposed amendments to the Existing Constitution. Numbered regulations referred to in the following summary pertain to relevant provisions of the New Constitution, unless otherwise stated.

The proposed amendments to the regulations are set out in **Appendix 2** to this Letter to Shareholders.

3.3 Changes due to amendments to the Companies Act

The following regulations include provisions which are in line with the Act, as amended pursuant to the Amendments Act.

(a) Regulation 61(C)

Regulation 61(C) relates to meetings via electronic means and is a new provision which provides for members to participate in any general meetings of the Company by electronic means. This provision has been proposed to allow for flexibility by the Company in cases where holding a physical general meeting is impracticable or impossible due to prevailing circumstances. Such participation shall constitute presence in person and shall be counted in the quorum for the general meeting. Shareholders should note that the participation in any general meeting by electronic means will be subject to relevant laws, regulations and the rules of the Listing Manual. This provision is in line with Section 173J of the Companies Act, as introduced by the Companies, Business Trusts and Other Bodies (Miscellaneous Amendments) Act 2023 of Singapore.

For the avoidance of doubt, unless prohibited by relevant laws and regulations in Singapore, the Company shall hold its general meeting either (i) at a physical place in Singapore; or (ii) at a physical place in Singapore and using technology that allows a person to participate in a meeting without being physically present at the place of meeting.

(b) Regulation 141

Regulation 141 relates to the service of notices to Shareholders, has new provisions to facilitate the electronic transmission of notices and documents following the introduction of simplified procedures for the sending of notices and documents electronically pursuant to the new section 387C of the Companies Act. Companies can, subject to certain statutory safeguards, make use of these simplified procedures where a Shareholder has given express, implied or deemed consent for the company to do so in accordance with the New Constitution. The provisions under Regulation 141 are in line with Section 387C of the Companies Act, as introduced by the Companies (Amendment) Act 2014 of Singapore and further amended by the Companies (Amendment) Act 2017 of Singapore.

The Company had previously adopted the express consent regime under Regulation 141(B) of the Existing Constitution, which was last amended on 26 April 2017, whereby the Company regarded express consent as being given where such Shareholder has agreed generally or specifically that such notice or document may be given using electronic communications and has not revoked that agreement. The Company now wishes to amend the wording of Regulation 141(B) to make it clear that under the express consent regime, Shareholders would have to provide their express consent by giving notice in writing to the Company.

LETTER TO SHAREHOLDERS

Notwithstanding, the Company now wishes to adopt the implied and deemed consent regimes (further details of which are set out below), particularly the implied consent regime, to allow the Company to circulate certain documents to Shareholders via electronic means without any further action from the Shareholders (i.e., express consent from the Shareholders would not be necessary).

Section 387C(2) of the Companies Act provides that a Shareholder has given implied consent ("**Implied Consent**") where the New Constitution:

- (i) provides for the use of electronic communications;
- (ii) specifies the manner in which electronic communications is to be used; and
- (iii) provides that the member shall agree to receive such notice or document by way of such electronic communications and shall not have a right to elect to receive a physical copy of such notice or document.

Section 387C(3) of the Companies Act further explains that a Shareholder has given deemed consent ("**Deemed Consent**") where:

- (i) the member was by written notice given an opportunity to elect, within such period of time specified in the notice, whether to receive the notice or document by way of electronic communications or as a physical copy; and
- (ii) the member failed to make an election within the time so specified.

Accordingly, Regulation 141 has been amended to provide that:

- (i) in relation to Implied Consent, a Shareholder who has not given express consent may nonetheless be implied to have agreed to receive such notice or document by way of electronic communications and shall not have a right to elect to receive a physical copy of such notice or document, unless otherwise provided under applicable laws; and
- (ii) in relation to Deemed Consent, notwithstanding sub-paragraph (i) above, the Directors may decide to give Shareholders an opportunity to elect to opt out of receiving such notice or document by way of electronic communications, and a Shareholder is deemed to have consented to receive such notice or document by way of electronic communications if he was given such an opportunity but failed to opt out within the specified time, unless otherwise provided under applicable laws. The election made under this sub-paragraph (ii) as to the form of notice or document to be received by a Shareholder shall be a standing election although a Shareholder may make a fresh election at any time and until the Shareholder makes a fresh election, the election that is conveyed under this Regulation 141(D) to the Company last in time prevails over all previous elections as to the Shareholder's valid and subsisting election in relation to all notices or documents to be sent to him.

For the avoidance of doubt, all electronic communication as well as the service of documents by the Company to Shareholders shall be subject to the Listing Manual. In particular, pursuant to Rules 1210, 1211 and 1212 of the Listing Manual, the Company shall provide (a) forms or acceptance letters that Shareholders may be required to complete; (b) notice of meetings, excluding circulars or letters referred in that notice; (c) notices and documents relating to takeover offers and rights issues; and (d) notices under Rules 1211 and 1212 of the Listing Manual, to Shareholders by way of physical copies.

Rule 1211 of the Listing Manual provides that when the Company uses electronic communications to send a document to a Shareholder, the Company shall inform the Shareholder as soon as practicable of how to request a physical copy of that document

LETTER TO SHAREHOLDERS

from the Company, and the Company shall provide a physical copy of that document upon such request. Rule 1212 of the Listing Manual provides that if the Company uses website publication as the form of electronic communications, the Company shall separately provide a physical notification to Shareholders notifying of the following: (1) the publication of the document on the website; (2) if the document is not available on the website on the date of notification, the date on which it will be available; (3) the address of the website; (4) the place on the website where the document may be accessed; and (5) how to access the document.

Shareholders who do not agree with the adoption of the “Implied Consent” and “Deemed Consent” regimes for electronic transmission of documents provided pursuant to the amended Regulation 141 may vote against the Special Resolution in relation to the proposed adoption of the New Constitution.

3.4 Amendments for consistency with the Listing Manual

Rule 730(2) of the Listing Manual provides that if an issuer amends its articles of association or other constituent documents, they must be made consistent with all the listing rules prevailing at the time of amendment. In compliance with Rule 730(2) of the Listing Manual, the following regulations have been updated for consistency with the listing rules of the SGX-ST prevailing as at the Latest Practicable Date:

(a) Regulation 5(A)

Regulation 5(A) relates to the offering of new Shares and has been amended to provide an exception to offer new Shares as permitted by the Listing Manual. This is to track the wordings in, and to be in line with, paragraph 1(f) of Appendix 2.2 of the Listing Manual.

(b) Regulation 10(B)

Regulation 10(B) relates to the conversion of one class of Shares into another class of Shares, and has been amended to be subject to the Listing Manual. This would ensure that Rules 730B, 752 and 753 would be complied with, where applicable. For the avoidance of doubt, as at the Latest Practicable Date, the Company only has one class of Shares, being ordinary shares.

(c) Regulation 32(A)

Regulation 32(A) relates to the written instruments of transfer for the transfer of Shares, and has been amended to make it clear that is in compliance with paragraph 4(a) of Appendix 2.2 of the Listing Manual, which provides that the Company will accept for registration a transfer in the form approved by the SGX-ST.

(d) Regulation 34(A)

Regulation 34(A) relates to the restriction on the transfer of Shares, and has been amended to provide that, amongst others, the Company shall not refuse to register or fail to register or give effect to any registrable transfer in respect of Shares unless (i) the registration of the transfer would result in a contravention of or failure to observe the relevant laws and regulations of the jurisdiction of the Company’s incorporation or the Listing Manual; or (ii) the transfer is in respect of a partly paid Share for which a call has been made and is unpaid. This is in line with Rule 732(5) of the Listing Manual.

(e) Regulation 59

Regulation 59 relates to, amongst others, the appointment of scrutineers and has been amended to provide that where required by the Listing Manual, at least one scrutineer shall be appointed for each general meeting of the Company. Further, the appointed scrutineer(s) shall be independent of the persons undertaking the polling process, and where the

LETTER TO SHAREHOLDERS

appointed scrutineer is interested in the resolution(s) to be passed at the general meeting of the Company, it shall refrain from acting as the scrutineer for such resolution(s). In addition, the appointed scrutineer shall exercise the following duties: (i) ensuring that satisfactory procedures of the voting process are in place before the General Meeting; and (ii) directing and supervising the count of the votes cast through proxy and in person. This is in line with Rules 730A(3) and 730A(4) of the Listing Manual.

(f) Regulation 60

Regulation 60 relates to the equality of votes during a general meeting of the Company, and has been amended to provide that where only two (2) Directors form the quorum for the general meeting of the Company, the chairman of the General Meeting at which only such a quorum is present, or at which only two (2) Directors are competent to vote on the matter at issue, shall not have a casting vote. This is in line with paragraph 9(m) of Appendix 2.2 of the Listing Manual.

(g) Regulation 61(C)

Regulation 61(C) relates to meetings via electronic means and is a new provision which provides for members to participate in any general meetings of the Company by electronic means, subject to relevant laws, regulations and the rules of the Listing Manual. This is in line with Practice Note 7.5 of the Listing Manual.

(h) Regulation 93

Regulation 93 relates to, amongst others, the election of a person who is not a retiring Director to the office of Director at any general meeting of the Company, and has been rephrased to track the wordings in paragraph 9(h) of Appendix 2.2 of the Listing Manual.

(i) Regulation 141

Regulation 141 relates to the electronic transmission of notices and documents where a Shareholder has given express, implied or deemed consent for the company to do so in accordance with the New Constitution. This is in line with Rule 1208 of the Listing Manual which provides that a Company may send documents, including notices, circulars and annual reports, using electronic communications to a Shareholder, if there is express consent from that Shareholder, and Rule 1209 of the Listing Manual, which provides that, the Company may send documents, including circulars and annual reports, using electronic communications to a Shareholder, if:

- (1) there is deemed consent from that Shareholder, on the basis that:
 - (a) the articles of association or other constituent document of the Company:
 - (i) provides for the use of electronic communications;
 - (ii) specifies the manner in which electronic communications is to be used; and
 - (iii) specifies that the Shareholder will be given an opportunity to elect within a specified period of time, whether to receive such document by way of electronic communications or as a physical copy; and
 - (b) the Company has separately notified the Shareholder directly in writing on at least one occasion of the following:
 - (i) that the Shareholder has a right to elect, within a time specified in the notice from the Company, whether to receive documents in either electronic or physical copies;

LETTER TO SHAREHOLDERS

- (ii) that if the Shareholder does not make an election, documents will be sent to the Shareholder by way of electronic communications;
 - (iii) the manner in which electronic communications will be used is the manner specified in the articles of association or other constituent document of the Company;
 - (iv) that the election is a standing election, but that the Shareholder may make a fresh election at any time; and
 - (v) until the Shareholder makes a fresh election, the election that is conveyed to the Company last in time prevails over all previous elections as the Shareholder's valid and subsisting election in relation to all documents to be sent; or
- (2) there is implied consent from that Shareholder, on the basis that the articles of association or other constituent document of the Company:
- (a) provides for the use of electronic communications;
 - (b) specifies the manner in which electronic communications is to be used; and
 - (c) provides that the shareholder shall agree to receive such document by way of such electronic communications and shall not have a right to elect to receive a physical copy of such document.

This is also in line with Rules 1210, 1211 and 1212 of the Listing Manual, as set out under Section 3.3(b) of this Letter to Shareholders above.

3.5 Other Amendments

(a) Regulation 70(D)

Regulation 70(D) relates to the handling of situations where there is an accidental omission or failure to receive the proxy form. This is a new provision added to clarify that such an occurrence shall not invalidate any resolution passed or any proceeding at any general meeting of the Company, subject to the Listing Manual.

(b) Regulation 97

Regulation 97 relates to the meeting of the Directors and has been amended to remove the provision that it shall not be necessary to give notice of a meeting of Directors to any Director for the time being absent from Singapore. Given that Regulation 97 of the Existing Constitution already provides for Directors to participate in a meeting of the Directors by means of a conference telephone, video conferencing, audio visual, or other similar communications equipment, Directors may participate in a meeting of the Directors notwithstanding that they may be absent from Singapore. In this regard, Regulation 97 has been amended to facilitate such meetings of the Directors and to ensure that Directors who are absent from Singapore are able to participate in meetings of the Directors.

ISSUE OF SHARES

3. (A) Subject to the Statutes and the provisions of these Regulations, no shares may be issued by the Directors without the prior approval of the Company in a General Meeting, but subject thereto and the terms of such approval and to Regulation 5, and to any special rights attached to any shares for the time being issued, the Directors may allot and issue shares or grant options over or otherwise dispose of the same to such persons on such terms and conditions and for such consideration (if any) and at such time and whether or not subject to the payment of any part of the amount (if any) thereof in cash or otherwise as the Directors may think fit, and any shares may, be issued with such preferential, deferred, qualified or special rights, privileges or conditions as the Directors may think fit, and preference shares may be issued which are or at the option of the Company are liable to be redeemed, the terms and manner of redemption being determined by the Directors in accordance with the Act, Provided Always that no options shall be granted over unissued shares except in accordance with the Act and the Designated Stock Exchange’s listing rules.
- (B) The Directors may, at any time after the allotment of any share but before any person has been entered in the Register of Members as the holder, recognise a renunciation thereof by the allottee in favour of some other person and may accord to any allottee of a share a right to effect such renunciation upon and subject to such terms and conditions as the Directors may think fit to impose.
- (C) Except so far as otherwise provided by the conditions of issue or by these Regulations, all new shares shall be issued subject to the provisions of the Statutes and of these Regulations with reference to allotment, payment of calls, lien, transfer, transmission, forfeiture or otherwise.

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

(D) Except as herein provided, no person shall exercise any rights or privileges of a Member until he is registered in the Register of Members or (as the case may be) the Depository Register as a Member and shall have paid all calls and other moneys due for the time being on every share held by him.

(E) Except so far as otherwise provided by the conditions of issue or by this Constitution, all new shares shall be subject to the provisions of the Act and this Constitution with reference to allotments, payment of calls, lien, transfer, transmission, forfeiture and otherwise.

4. The Company shall not exercise any right in respect of treasury shares other than as provided by the Act. Subject thereto, the Company may hold or deal with its treasury shares in the manner authorised by, or prescribed pursuant to, the Act.

5. (A) Subject to any direction to the contrary that may be given by the Company in General Meeting or except as permitted under the Designated Stock Exchange's listing rules, all new shares shall before issue be offered to such persons who as at the date of the offer are entitled to receive notices from the Company of General Meetings in proportion, as far as the circumstances admit, to the number of the existing shares to which they are entitled. In offering such new shares in the first instance to all the then holders of any class of shares, the offer shall be made by notice specifying the number of shares offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and, after the expiration of the aforesaid time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Directors may dispose of those shares in such manner as they think most beneficial to the Company. The Directors may likewise so dispose of any new shares which (by reason of the ratio which the new shares bear to shares held by persons entitled to an offer of new shares or by reason of any other difficulty in apportioning the same) cannot, in the opinion of the Directors, be conveniently offered under this Regulation.

(B) Notwithstanding Regulation 5(A) above, the Company may by Ordinary Resolution in General Meeting give to the Directors a general authority, either unconditionally or subject to such conditions as may be specified in the Ordinary Resolution, to:–

- (a) (i) issue shares in the capital of the Company ("shares") whether by way of rights, bonus or otherwise; and/or
- (ii) make or grant offers, agreements or options (collectively, "Instruments") that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible into shares; and
- (b) (notwithstanding the authority conferred by the Ordinary Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors while the Ordinary Resolution was in force,

Provided that:–

- (1) the aggregate number of shares to be issued pursuant to the Ordinary Resolution (including shares to be issued in pursuance of Instruments made or granted pursuant to the Ordinary Resolution) shall be subject to such limits and manner of calculation as may be prescribed by the Designated Stock Exchange;

(C) The Company may, notwithstanding Regulations 5(A) and 5(B) above, authorise the Directors not to offer new shares to Members to whom by reason of foreign securities laws, such offers may not be made without registration of the shares or a prospectus or other document, but to sell the entitlements to the new shares on behalf of such Members on such terms and conditions as the Company may direct.

(D) No shares may be issued to transfer a controlling interest without prior approval of the Company in a general meeting.

6. The Company may pay commissions or brokerage on any issue of shares at such rate or amount and in such manner as the Directors may deem fit. Such commissions or brokerage may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in one way and partly in the other.
7. Where any shares are issued for the purpose of raising money to defray the expenses of the construction of any works or buildings or the provision of any plant which cannot be made profitable for a long period, the Company may pay interest on so much of that share capital (except treasury shares) as is for the time being paid up for the period and charge the same to capital as part of the cost of the construction of the works or buildings or the provision of the plant, subject to the conditions and restrictions mentioned in the Act.
8. (A) Preference shares may be issued subject to such limitation thereof as may be prescribed by the Designated Stock Exchange. Preference shareholders shall have the same rights as ordinary shareholders as regards receiving of notices, reports and balance-sheets and attending General Meetings of the Company, and preference shareholders shall also have the right to vote at any General Meeting convened for the purpose of reducing capital or winding-up or sanctioning a sale of the undertaking of the Company or where the proposal to be submitted to the General Meeting directly affects their rights and privileges or when the Dividend on the preference shares is more than six months in arrear.

(B) The Company has power to issue further preference capital ranking equally with, or in priority to, preference shares already issued.

(C) The rights attaching to shares of a class other than ordinary shares shall be expressed in this Constitution.

(D) The Company may issue shares for which no consideration is payable to the Company.

VARIATION OF RIGHTS

9. (A) Whenever the share capital of the Company is divided into different classes of shares, the variation or abrogation of the special rights attached to any class may, subject to the provisions of the Act, only be made with the sanction of a Special Resolution passed at a separate General Meeting of the holders of the shares of the class (but not otherwise) and may be so made either whilst the Company is a going concern or during or in contemplation of a winding-up. To every such separate General Meeting all the provisions of these Regulations relating to General Meetings of the Company and to the proceedings thereat shall *mutatis mutandis* apply, except that the necessary quorum shall be two or more persons holding at least one-third of the total number of the issued shares of the class present in person or by proxy or attorney and that any holder of shares of the class present in person or by proxy or attorney may demand a poll, Provided Always that where the necessary majority for such a Special Resolution is not obtained at such General Meeting, the consent in writing, if obtained from the holders of three-quarters of

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

the total number of the issued shares of the class concerned within two months of such General Meeting, shall be as valid and effectual as a Special Resolution carried at such General Meeting.

(B) The provisions in Regulation 9(A) shall *mutatis mutandis* apply to any repayment of preference capital (other than redeemable preference capital) and any variation or abrogation of the rights attached to preference shares or any class thereof.

(C) The rights attached to any class of shares having preferential or other rights shall not unless otherwise expressly provided by the terms of issue thereof be deemed to be varied by the creation or issue of further shares ranking as regards participation in the profits or assets of the Company in some or all respects *pari passu* therewith but in no respect in priority thereto.

ALTERATION OF SHARE CAPITAL

10. (A) The Company may by Ordinary Resolution:-
- (a) consolidate and divide all or any of its share capital;
 - (b) sub-divide its shares, or any of them (subject nevertheless to the provisions of the Act and this Constitution), provided always that in such subdivision the proportion between the amount paid and the amount (if any) unpaid on each reduced share shall be same as it was in the case of the share from which the reduced share is derived;
 - (c) subject to the provisions of this Constitution and the Act, convert its share capital or any class of shares from one currency to another currency; and/or
 - (d) cancel the number of shares which at the date of the passing of the resolution in that behalf have not been taken or agreed to be taken by any person or which have been forfeited and diminish the amount of its share capital by the number of the shares so cancelled.
- (B) The Company may by Special Resolution, subject to and in accordance with the Statutes and the Designated Stock Exchange's listing rules, convert one class of shares into another class of shares.
11. (A) The Company may reduce its share capital or any other undistributable reserve in any manner permitted, and with, and subject to, any incident authorised, and consent or confirmation required, by law.
- (B) The Company may purchase or otherwise acquire its issued shares subject to and in accordance with the provisions of the Statutes (including the Act) and any applicable rules of the Designated Stock Exchange (hereafter, the "**Relevant Laws**"), on such terms and in such manner as it may from time to time think fit, and subject to such conditions as the Company may in General Meeting prescribe in accordance with the Relevant Laws. Any shares purchased or acquired by the Company as aforesaid shall, unless held in treasury in accordance with the Act, be deemed to be cancelled immediately on purchase or acquisition by the Company. On the cancellation of any share as aforesaid, the rights and privileges attached to that share shall expire. In any other instance, the Company may hold or deal with any such share which is so purchased or acquired by it in such manner as may be permitted by, and in accordance with the Relevant Laws. Without prejudice to the generality of the foregoing, upon cancellation of any share purchased or otherwise acquired by the Company pursuant to these Regulations and the Statutes, the number of issued shares of the Company shall be diminished by the number of shares so cancelled, and, where any such cancelled share was purchased or acquired out of the capital of the Company, the amount of share capital of the Company shall be reduced accordingly.

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

SHARE CERTIFICATES

12. (A) Every certificate shall be issued under the Seal and shall bear the facsimile signatures or the autographic signatures at least of any two Directors or one of the Director and the Secretary or such other person as may be authorised by the Directors, and shall specify the number and class of shares to which it relates, whether the shares are fully or partly paid up, and the amount (if any) unpaid thereon. The facsimile signatures may be reproduced by mechanical or other means provided the method or system of reproducing signatures has first been approved by the Directors of the Company. No certificate shall be issued representing shares of more than one class.
- (B) The provisions in this Regulation and in Regulations 13 to 16 (so far as they are applicable) shall not apply to transfer of book-entry securities.
13. (A) The Company shall not be bound to register more than three persons as joint holders of a share except in the case of executors, trustees or administrators of the estate of a deceased Member.
- (B) Only one certificate shall be issued in respect of any share.
- (C) In the case of a share held jointly by several persons, the Company shall not be bound to issue more than one certificate therefor and delivery of a certificate to any one of the joint holders shall be sufficient delivery to all. Only the person whose name stands first in the Register of Members as one of the joint holders of any share shall be entitled to delivery of the certificate relating to such share.
14. Every person whose name is entered as a Member in the Register of Members shall be entitled, within ten market days (or such period as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) after the closing date of any application for shares or the date of lodgement of a registrable transfer or on a transmission of shares (as the case may be), to receive one certificate for all his shares of any one class or to several certificates in reasonable denominations each for a part of the shares so allotted or transferred.
15. (A) Where a Member transfers part only of the shares comprised in a certificate or where a Member requires the Company to cancel any certificate or certificates and issue new certificates for the purpose of subdividing his holding in a different manner, the old certificate or certificates shall be cancelled and a new certificate or certificates for the balance of such shares (in the case of transfer) and the whole of such shares (in the case of sub-division) shall be issued in lieu thereof and the Member shall pay (in the case of sub-division) a maximum fee of S\$2.00 (or such other fee as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) for each new certificate. Where some only of the shares comprised in a share certificate are transferred, the new certificate for the balance of such shares shall be issued in lieu thereof without charge.
- (B) Any two or more certificates representing shares of any one class held by any Member may at his request be cancelled and a single new certificate for such shares issued in lieu thereof without charge.
16. Subject to the provisions of the Act, if any share certificate shall be defaced, worn out, destroyed, lost or stolen, it may be renewed on such evidence being produced and a letter of indemnity (if required) being given by the shareholder, transferee, person entitled, purchaser, member firm or member company of the Designated Stock Exchange or on behalf of its or their client or clients as the Directors shall require, and in case of defacement or wearing out on delivery of the old certificate, and in any case on payment of such sum not exceeding S\$2.00 (or such other fee as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) as the Directors may from time to time require. In the case of destruction, loss or theft, a shareholder or person entitled to, and to whom

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

such renewed certificate is given shall also bear the loss and pay to the Company all expenses incidental to the investigations by the Company of the evidence of such destruction or loss.

CALLS ON SHARES

17. The Directors may from time to time make calls upon the Members in respect of any monies unpaid on their shares but subject always to the terms of issue of such shares. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed and may be made payable by instalments.
18. Each Member shall (subject to receiving at least fourteen days' notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his shares. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof. A call may be revoked or postponed as the Directors may determine.
19. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding eight per cent. per annum) as the Directors may determine but the Directors shall be at liberty in any case or cases to waive payment of such interest in whole or in part.
20. Any sum which by the terms of issue of a share becomes payable upon allotment or at any fixed date shall for all the purposes of these Regulations be deemed to be a call duly made and payable on the date on which by the terms of issue the same becomes payable. In the case of non-payment, all the relevant provisions of these Regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.
21. The Directors may on the issue of shares differentiate between the holders as to the amount of calls to be paid and the times of payment.
22. (A) The Directors may if they think fit receive from any Member willing to advance the same all or any part of the monies uncalled and unpaid upon the shares held by him and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the shares in respect of which it is made and upon the monies so received (until and to the extent that the same would but for such advance become payable) the Company may pay interest at such rate (not exceeding eight per cent. per annum, unless the Company in general meeting otherwise directs) as the Member paying such sum and the Directors may agree. Capital paid on shares in advance of calls shall not, whilst bearing interest, confer a right to participate in profits.

(B) The Directors may apply all dividends which may be declared in respect of any shares in payment of any calls made or instalments payable and which may remain unpaid in respect of the same shares.

FORFEITURE AND LIEN

23. If a Member fails to pay in full any call or instalment of a call on the due date for payment thereof, the Directors may at any time thereafter serve a notice on him requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued thereon and any expenses incurred by the Company by reason of such non-payment.
24. The notice shall name a further day (not earlier than the expiration of fourteen days from the date of service of the notice) on or before which and the place where the payment required by the notice is to be made, and shall state that in the event of non-payment in accordance therewith the shares on which the call has been made will be liable to be forfeited.

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

25. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may at any time thereafter, before payment of all calls and interest and expenses due in respect thereof has been made, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all Dividends declared in respect of the forfeited share and not actually paid before forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder.
26. A share so forfeited or surrendered shall become the property of the Company and may be sold, re-allotted or otherwise disposed of either to the person who was before such forfeiture or surrender the holder thereof or entitled thereto or to any other person upon such terms and in such manner as the Directors shall think fit, and at any time before a sale, re-allotment or disposal, the forfeiture or surrender may be cancelled on such terms as the Directors shall think fit. The Directors may, if necessary, authorise some person to transfer a share so forfeited or surrendered to any such other person as aforesaid.
27. A Member whose shares have been forfeited or surrendered shall cease to be a Member in respect of such shares but shall notwithstanding the forfeiture or surrender remain liable to pay to the Company all monies which at the date of forfeiture or surrender were presently payable by him to the Company in respect of such shares with interest thereon at eight per cent. per annum (or such lower rate as the Directors may determine) from the date of forfeiture or surrender until payment and the Directors may at their absolute discretion enforce payment without any allowance for the value of such shares at that time of forfeiture or surrender or waive payment in whole or in part.
28. The Company shall have a first and paramount lien on every share (not being a fully paid share) and Dividends from time to time declared in respect of such shares. Such lien shall be restricted to unpaid calls and instalments upon the specific shares in respect of which such monies are due and unpaid, and to such amounts as the Company may be called upon by law to pay in respect of the shares of the Member or deceased Member. The Directors may waive any lien which has arisen and may resolve that any share shall for some limited period be exempt wholly or partially from the provisions of this Regulation 28.
29. (A) The Company may sell in such manner as the Directors think fit any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of fourteen days after a notice in writing stating and demanding payment of the sum presently payable and giving notice of intention to sell in default shall have been given to the holder for the time being of the share or the person entitled thereto (if any) entitled to effect a transmission of the shares and who shall have produced to the Company satisfactory evidence of such capacity and default in payment shall have been made by him or them for fourteen days after such notice. Provided always that if a Member shall have died or become mentally disordered and incapable of managing himself or his affairs or bankrupt and no person shall have given to the Company satisfactory proof of his right to effect a transmission of the shares held by such Member the Directors may exercise such power of sale without serving any such notice.
- (B) In the event of a forfeiture of shares or a sale of shares to satisfy the Company's lien thereon the Member or other person who prior to such forfeiture or sale was entitled thereto shall be bound to deliver and shall forthwith deliver to the Company the certificate or certificates held by him for the shares so forfeited or sold.
30. The net proceeds of such sale after payment of the costs of such sale shall be applied in or towards payment or satisfaction of the debts or liabilities (including unpaid calls and accrued interest and expenses) and any residue shall be paid to the person entitled to the shares at the time of the sale or to his executors, administrators or assignees, as he may direct. For the purpose of giving effect to any such sale, the Directors may authorise some person to transfer the shares sold to the purchaser.

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

31. A statutory declaration in writing that the declarant is a Director or the Secretary of the Company and that a share has been duly forfeited or surrendered or sold to satisfy a lien of the Company on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. Such declaration and the receipt by the Company of the consideration (if any) given for the share on the sale, re-allotment or disposal thereof together with the share certificate delivered to a purchaser (or where the purchaser is a Depositor, the Depository Register) or allottee thereof shall (subject to the execution of a transfer if the same be required) constitute a good title to the share and the person to whom the share is sold, re-allotted or disposed of shall be registered as the holder of the share, or where such person is a Depositor, the Company shall procure that his name be entered in the Depository Register in respect of the share so sold, re-allotted or disposed of. Such person shall not be bound to see to the application of the purchase money (if any) nor shall his title to the share be affected by any irregularity or invalidity in the proceedings relating to the forfeiture, surrender, sale, re-allotment or disposal of the share.

TRANSFER OF SHARES

32. (A) All transfers of shares shall be effected by written instruments of transfer in the form for the time being approved by the Directors and the Designated Stock Exchange. For the avoidance of doubt, the Company will accept for registration a transfer in the form approved by the Designated Stock Exchange.
- (B) The instrument of transfer of any share shall be signed by or on behalf of both the transferor and the transferee and be witnessed, provided always that an instrument of transfer in respect of which the transferee is the CDP or its nominee (as the case may be) shall be effective although not signed or witnessed by or on behalf of the CDP or its nominee (as the case may be). The transferor shall be deemed to remain the holder of the shares concerned until the name of the transferee is entered in the Register of Members in respect thereof.
33. The Registers of Members and the Depository Register may be closed, and the registration of transfers may be suspended, at such times and for such periods as the Directors may from time to time determine, Provided Always that such Registers shall not be closed for more than thirty days in any year, and that the Company shall give prior notice of each such closure, as may be required, to the Designated Stock Exchange, stating the period and purpose or purposes for which such closure is made.
34. (A) There shall be no restriction on the transfer of shares and the Company shall not refuse to register or fail to register or give effect to any registrable transfer in respect of Shares (except where required by law or by the rules, bye-laws or listing rules of the Designated Stock Exchange) unless (a) the registration of the transfer would result in a contravention of or failure to observe the relevant laws and regulations of the jurisdiction of the Company's incorporation or the Designated Stock Exchange's listing rules; or (b) the transfer is in respect of a partly paid Share for which a call has been made and is unpaid, Provided Always that in the event of the Directors refusing to register a transfer of shares, the Company shall within ten market days (or such period as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) after the date on which the application for a transfer of shares was made, serve a notice in writing to the applicant, transferor and/or the transferee stating the facts which are considered to justify the refusal as required by the Statutes.
- (B) The Directors may decline to register any instrument of transfer unless:-
- (a) such fee not exceeding S\$2.00 (or such other fee as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) as the Directors may from time to time require is paid to the Company in respect thereof;

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

- (b) the amount of proper duty (if any) with which each instrument of transfer is chargeable under any law for the time being in force relating to stamps is paid;
 - (c) the instrument of transfer is deposited at the Office or at such other place (if any) as the Directors may appoint accompanied by a certificate of payment of stamp duty (if stamp duty is payable on such instrument of transfer in accordance with any law for the time being in force relating to stamp duty), the certificates of the shares to which it relates, and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer and, if the instrument of transfer is executed by some other person on his behalf, the authority of the person so to do; and
 - (d) the instrument of transfer is in respect of only one class of shares.
35. All instruments of transfer which are registered may be retained by the Company, but any instrument of transfer which the Directors may decline to register shall be returned to the person depositing the same except in the case of fraud.
36. The Company shall be entitled to destroy all instruments of transfer which have been registered at any time after the expiration of six years from the date of registration thereof and all Dividend mandates and notifications of change of address at any time after the expiration of six years from the date of recording thereof and all share certificates which have been cancelled at any time after the expiration of six years from the date of the cancellation thereof and it shall conclusively be presumed in favour of the Company that every entry in the Register of Members purporting to have been made on the basis of an instrument of transfer or other document so destroyed was duly and properly made and every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and every share certificate so destroyed was a valid and effective certificate duly and properly cancelled and every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company, Provided Always that:-
- (a) the provisions aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
 - (b) nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any other circumstances which would not attach to the Company in the absence of this Regulation; and
 - (c) references herein to the destruction of any document include references to the disposal thereof in any manner.

TRANSMISSION OF SHARES

37. (A) In case of the death of a Member whose name is registered in the Register of Members, the survivors or survivor, where the deceased was a joint holder, and the executors or administrators of the deceased, where he was a sole or only surviving holder, shall be the only person(s) recognised by the Company as having any title to his interest in the shares.
- (B) In the case of the death of a Member who is a Depositor, the survivors or survivor, where the deceased is a joint holder, and the executors or administrators of the deceased, where he was a sole or only surviving holder and where such executors or administrators are entered into the Depository Register in respect of any shares to the deceased Member, shall be the only person(s) recognised by the Company as having any title to his interest in the shares.

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

- (C) Nothing herein contained shall release the estate of a deceased holder (whether sole or joint) from any liability in respect of any share held by him.
38. (A) Any person becoming entitled to a share in consequence of the death or bankruptcy of a Member whose name is entered in the Register of Members, and any guardian of an infant becoming entitled to the legal title in a share and whose name is entered in the Register of Members, and any person as properly has the management of the estate of a Member whose name is entered in the Register of Members and who is mentally disordered and incapable of managing himself or his affairs may (subject as hereinafter provided) upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share, elect either to be registered himself as holder of the share or to have another person nominated by him registered as the transferee thereof. The Directors shall, in any case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the share by a Member.
- (B) If the person so becoming entitled elects to be registered himself, he shall deliver or send to the Company a notice in writing (in a form as may be approved by the Directors from time to time) signed by him stating that he so elects. If he elects to have another person registered he shall testify his election by executing to that person a transfer of the share. All the limitations, restrictions and provisions of these Regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the event upon which transmission took place had not occurred and the notice or transfer were a transfer executed by such Member.
39. (A) Save as otherwise provided by or in accordance with these Regulations, a person becoming entitled to a share by transmission (and upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share) shall be entitled to the same Dividends and other advantages as those to which he would be entitled if he were the registered holder of the share except that he shall not be entitled in respect thereof (except with the authority of the Directors) to exercise any right conferred by membership in relation to General Meetings of the Company until he shall have been registered as a Member in respect of the share.
- (B) The Directors may at any time give notice requiring any person entitled to a share by transmission to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days the Directors may thereafter withhold payment of all dividends, or other moneys payable in respect of the share until the requirements of the notice have been complied with.
40. There shall be paid to the Company in respect of the registration of any probate or letters of administration or certificate of death or stop notice or power of attorney or other document relating to or affecting the title to any shares or otherwise for making any entry in the Register of Members affecting the title to any shares such fee not exceeding S\$2.00 (or such other fee as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) as the Directors may from time to time require.

CENTRAL DEPOSITORY SYSTEM

41. A reference to a Member shall be a reference to a registered holder of shares in the Company, or where such registered holder is CDP, the Depositors on behalf of whom CDP holds the shares, Provided that:-
- (a) except as required by the Statutes or law, a Depositor shall only be entitled to attend any General Meeting and to speak and vote thereat if his name appears on the Depository Register maintained by CDP 72 hours before the General Meeting as a Depositor on whose behalf CDP holds shares in the Company, the Company being entitled to deem each such Depositor, or each proxy or proxies of a Depositor who is to represent the entire

balance standing to the Securities Account of the Depositor, to represent such number of shares as is actually credited to the Securities Account of the Depositor as at such time, according to the records of CDP as supplied by CDP to the Company, and where a Depositor has apportioned the balance standing to his Securities Account between such number of proxies, to apportion the said number of shares between the proxies in the same proportion as previously specified by the Depositor in appointing the proxies; and accordingly no instrument appointing a proxy of a Depositor shall be rendered invalid merely by reason of any discrepancy between the proportion of Depositor's shareholding specified in the instrument of proxy, or where the balance standing to a Depositor's Securities Account has been apportioned between such number of proxies the aggregate of the proportions of the Depositor's shareholding they are specified to represent, and the true balance standing to the Securities Account of a Depositor as at the time of the General Meeting, if the instrument is dealt with in such manner as is provided above;

- (b) the payment by the Company to CDP of any Dividend payable to a Depositor shall to the extent of the payment discharge the Company from any further liability in respect of the payment;
- (c) the delivery by the Company to CDP of provisional allotments or share certificates in respect of the aggregate entitlements of Depositors to new shares offered by way of rights issue or other preferential offering or bonus issue shall to the extent of the delivery discharge the Company from any further liability to each such Depositor in respect of his individual entitlement; and
- (d) the provisions in these Regulations relating to the transfers, transmissions or certification of shares shall not apply to the transfer of book-entry securities (as defined in the Statutes).

EXCLUSION OF EQUITIES

- 42. Except as required by the Statutes or law, no person shall be recognised by the Company as holding any share upon any trust, and the Company shall not be bound by or compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share, or any interest in any fractional part of a share, or (except only as by these Regulations or by the Statutes or law otherwise provided) any other right in respect of any share, except an absolute right to the entirety thereof in the person (other than the Depository or its nominee (as the case may be)) entered in the Register of Members as the registered holder thereof or (as the case may be) the person whose name is entered in the Depository Register in respect of that share and nothing in these Regulations contained relating to CDP or to Depositors or in any depository agreement made by the Company with any common depository for shares shall in any circumstances be deemed to limit, restrict or qualify the above.

STOCK

- 43. The Company may from time to time by Ordinary Resolution convert any paid-up shares into stock and may from time to time by like resolution reconvert any stock into paid-up shares of any denomination.
- 44. The holders of stock may transfer the same or any part thereof in the same manner and subject to the same Regulations as and subject to which the shares from which the stock arose might previously to conversion have been transferred (or as near thereto as circumstances admit) but no stock shall be transferable except in such units as the Directors may from time to time determine.
- 45. The holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards Dividend, return of capital, voting and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except as regards participation in the profits or assets of the Company) shall be conferred by an amount of

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

stock which would not, if existing in shares, have conferred such privilege or advantage, and no such conversion shall affect or prejudice any preference or other special privileges attached to the shares so converted.

GENERAL MEETINGS

46. Save as otherwise permitted under the Act, an Annual General Meeting shall be held once in every year, at such time (within a period of not more than fifteen months after the holding of the last preceding Annual General Meeting) and place as may be determined by the Directors (subject to the listing rules of the Designated Stock Exchange). All other General Meetings shall be called Extraordinary General Meetings. The interval between the close of a financial year of the Company and the date of the Company's Annual General Meeting shall not exceed four months or such other period as prescribed by the Act and the byelaws and listing rules of the Designated Stock Exchange or other legislation applicable to the Company from time to time.
47. The Directors may whenever they think fit, and shall on requisition in accordance with the Statutes, proceed with proper expedition to convene an Extraordinary General Meeting.

NOTICE OF GENERAL MEETINGS

48. Any Annual General Meeting and any Extraordinary General Meeting at which it is proposed to pass a Special Resolution or (save as provided by the Statutes) a resolution of which special notice has been given to the Company, shall be called by twenty-one clear days' notice in writing at the least and an Annual General Meeting or any other Extraordinary General Meeting, by fourteen clear days' notice in writing at the least. The period of notice shall in each case be exclusive of the day on which it is served or deemed to be served and of the day on which the General Meeting is to be held and shall be given in manner hereinafter mentioned to all Members other than those who are not under the provisions of these Regulations entitled to receive such notices from the Company, Provided that, subject always to the Designated Stock Exchange's listing rules, a General Meeting notwithstanding that it has been called by a shorter notice than that specified above shall be deemed to have been duly called if it is so agreed:-
- (a) in the case of an Annual General Meeting by all the Members entitled to attend and vote thereat; and
 - (b) in the case of an Extraordinary General Meeting by a majority in number of the Members having a right to attend and vote thereat, being a majority together holding not less than 95 per cent. of the total voting rights of all the Members having a right to vote at thereat;

Provided also that the accidental omission to give notice to or the non-receipt of notice by any person entitled thereto shall not invalidate the proceedings at any General Meeting. At least fourteen days' notice (excluding the date of notice and the date of meeting) of any General Meeting shall be given to shareholders by advertisement in the daily press and in writing to the Designated Stock Exchange, Provided Always that in the case of any Extraordinary General Meeting at which it is proposed to pass a Special Resolution, at least twenty-one days' notice in writing (excluding the date of notice and the date of meeting) of such Extraordinary General Meeting shall be given to shareholders by advertisement in the daily press and in writing to the Designated Stock Exchange.

49. (A) Every notice calling a General Meeting shall specify the place, day and hour of the meeting, and there shall appear with reasonable prominence in every such notice a statement that a Member entitled to attend and vote is entitled to appoint a proxy or proxies to attend and vote instead of him and that a proxy need not be a Member of the Company.
- (B) In the case of an Annual General Meeting, the notice shall also specify the meeting as such.

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

- (C) In the case of any General Meeting at which business other than routine business (“special business”) is to be transacted, the notice shall specify the general nature of such business, and if any resolution is to be proposed as a Special Resolution, the notice shall contain a statement to that effect.
50. Routine business shall mean and include only business transacted at an Annual General Meeting of the following classes, that is to say:-
- (a) declaring Dividends;
 - (b) receiving and adopting the financial statements, the Directors’ statement, and the Auditors’ reports and other documents required to be attached or annexed to the financial statements;
 - (c) appointing or re-appointing Directors to fill vacancies arising at the meeting on retirement whether by rotation or otherwise;
 - (d) appointing Auditors or re-appointing the retiring Auditors (unless they were last appointed otherwise than by the Company in General Meeting);
 - (e) fixing the remuneration of the Auditors or determining the manner in which such remuneration is to be fixed; and
 - (f) fixing the Directors fees.
51. Any notice of a General Meeting to consider special business shall be accompanied by a statement regarding the effect of any proposed resolution on the Company in respect of such special business.

PROCEEDINGS AT GENERAL MEETINGS

52. The Chairman of the Board of Directors, failing whom the Deputy Chairman, shall preside as chairman at a General Meeting. If there be no such Chairman or Deputy Chairman, or if at any General Meeting neither be present within five minutes after the time appointed for holding the meeting and willing to act, the Directors present shall choose one of their number (or, if no Director be present or if all the Directors present decline to take the chair, the Members present shall choose one of their number) to be chairman of the General Meeting. If required by the listing rules of the Designated Stock Exchange, all general meetings shall be held in Singapore, unless prohibited by relevant laws and regulations of the jurisdiction of the Company’s incorporation, or unless such requirement is waived by the Designated Stock Exchange.
53. No business other than the appointment of a Chairman shall be transacted at any General Meeting unless a quorum is present at the time when the meeting proceeds to business. Save as herein otherwise provided, the quorum at any General Meeting shall be two Members present in person or by proxy, provided that (i) a proxy representing more than one Member shall only count as one Member for purpose of determining if the quorum aforesaid is present; and (ii) where a Member is represented by more than one proxy, such proxies of such Member shall only count as one Member for purposes of determining if the quorum aforesaid is present. In addition, for the purposes of a quorum, joint holders of any share shall be treated as one Member.
54. If within thirty minutes from the time appointed for a General Meeting (or such longer interval as the chairman of the meeting may think fit to allow) a quorum is not present, the meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week (or if that day is a public holiday then to the next business day following that public holiday) at the same time and place or such other day, time or place as the Directors may by not less than ten days’ notice appoint.

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

55. The chairman of any General Meeting at which a quorum is present may with the consent of the meeting (and shall if so directed by the meeting) adjourn the meeting from time to time (or *sine die*) and from place to place, but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. Where a General Meeting is adjourned *sine die*, the time and place for the adjourned meeting shall be fixed by the Directors. When a General Meeting is adjourned for thirty days or more or *sine die*, not less than seven days' notice of the adjourned meeting shall be given in like manner as in the case of the original meeting.
56. Save as hereinbefore expressly provided, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned General Meeting.
57. If an amendment shall be proposed to any resolution under consideration but shall in good faith be ruled out of order by the chairman of the General Meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a Special Resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.
58. (A) If required by the listing rules of the Designated Stock Exchange, a resolution put to the vote at any General Meeting shall be decided by a poll (unless such requirement is waived by the Designated Stock Exchange).
- (B) Subject to Regulation 58(A), at any General Meeting, a resolution put to the vote of the meeting shall be decided on a show of hands by the Members present in person and entitled to vote, unless a poll is (before or on the declaration of the result of the show of hands) demanded by:-
- (a) the chairman of the meeting; or
 - (b) not less than two Members present in person or by proxy and entitled to vote; or
 - (c) any Member or Members present in person or by proxy, or where such a Member has appointed two or more proxies any one of such proxies, or any number or combination of such Members or proxies, holding or representing as the case may be not less than 5 per cent. of the total voting rights of all the Members having the right to vote at the General Meeting; or
 - (d) any Member or Members present in person or by proxy, or where such a Member has appointed two or more proxies any one of such proxies, or any number or combination of such Members or proxies, holding shares conferring a right to vote at the General Meeting, of which an aggregate sum has been paid up equal to not less than 5 per cent. of the total sum paid up on all the share conferring that right,
- A demand for a poll made pursuant to this Regulation 58(B) may be withdrawn only with the approval of the meeting.
- (C) If any votes be counted which ought not to have been counted or might have been rejected, the error shall not vitiate the result of the voting unless it be pointed out at the same General Meeting or at any adjournment thereof and not in any case unless it shall in the opinion of the Chairman be of sufficient magnitude.
59. Unless a poll is required, a declaration by the chairman of the General Meeting that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the minute book, shall be conclusive evidence of that fact. If a poll is required, it shall be taken in such manner (including the use of ballot or voting papers or tickets or electronic means) as the chairman of the General Meeting may direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was required. The chairman of the General Meeting may (and, if required by the listing rules of the Designated Stock Exchange or

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

if so directed by the meeting shall) appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll. Where required by the listing rules of the Designated Stock Exchange, at least one scrutineer shall be appointed for each General Meeting. The appointed scrutineer(s) shall be independent of the persons undertaking the polling process. Where the appointed scrutineer is interested in the resolution(s) to be passed at the General Meeting, it shall refrain from acting as the scrutineer for such resolution(s). Further, the appointed scrutineer shall exercise the following duties: (a) ensuring that satisfactory procedures of the voting process are in place before the General Meeting; and (b) directing and supervising the count of the votes cast through proxy and in person.

60. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the General Meeting at which the show of hands takes place or at which the poll is required shall be entitled to a casting vote. That said, where only two (2) Directors form the quorum for the General Meeting, the chairman of the General Meeting at which only such a quorum is present, or at which only two (2) Directors are competent to vote on the matter at issue, shall not have a casting vote.

61. (A) A poll on the choice of a chairman of the meeting or on a question of adjournment shall be taken immediately. A poll required on any other question shall be taken either immediately or at such subsequent time (not being more than thirty days from the date of the Meeting) and place as the chairman of the Meeting may direct. No notice need be given of a poll not taken immediately. The demand for a poll pursuant to Regulation 58(B) shall not prevent the continuance of the General Meeting for the transaction of any business other than the question on which the poll has been demanded.

(B) After the Chairman of any meeting shall have declared the General Meeting to be over and shall have left the chair no business or question shall under any pretext whatsoever be brought forward or discussed.

(C) Subject to the Statutes and to the listing rules of the Designated Stock Exchange, the Members may, if the Directors at their absolute discretion deem fit, participate at a General Meeting by electronic means, including but not limited to electronic communication, video conferencing, teleconferencing or such other electronic means whereby all persons participating in the General Meeting are able to hear and, if applicable, see each other and such participation shall constitute presence in person at such General Meeting and Members, whether present in person or by proxy (where a Member has appointed more than one proxy, any one of such proxies may represent the Member) or by attorney or in the case of a corporation, by a representative, so participating shall be counted in the quorum for the General Meeting. Unless otherwise determined by the Directors, the “place” of such General Meeting (when it is convened, held and/or conducted by electronic means) shall be deemed to be the Company’s place of business in Singapore.

VOTES OF MEMBERS

62. (A) Subject to any special rights, privileges or restrictions as to voting attached by or in accordance with these Regulations to any class of shares, and to Regulation 4, each Member entitled to vote may vote in person or by proxy.

(B) On a show of hands every Member who is present in person or by proxy shall have one vote, provided that:

(a) in the case of a Member who is not a relevant intermediary and who is represented by two proxies, only one of the two proxies as determined by that Member or, failing such determination, by the Chairman of the meeting (or by a person authorised by him) in his sole discretion shall be entitled to vote on a show of hands; and

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

- (b) in the case of a Member who is a relevant intermediary and who is represented by two or more proxies, each proxy shall be entitled to vote on a show of hands.

(C) On a poll every Member who is present in person or by proxy shall have one vote for every share of which he holds or represents. For the purposes of determining the number of votes which a Member, being a Depositor, or his proxy or proxies may cast at any General Meeting on a poll, the references to shares held or represented shall, in relation to shares of that Depositor, be the number of shares entered against his name in the Depository Register as at 72 hours before the time of the relevant General Meeting. A Member who is bankrupt shall not, while his bankruptcy continues, be entitled to exercise his rights as a Member, or attend, vote or act at any General Meeting.

- 63. In the case of joint holders of a share, any one of such persons may vote and be reckoned in a quorum at any General Meeting either personally or by proxy as if he were solely entitled thereto, but if more than one of such persons is present at a meeting, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority shall be determined by the name which stands first in the Register of Members or, as the case may be, the name which appears first in the Depository Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purpose of this Regulation be deemed joint holders thereof.
- 64. Where in Singapore or elsewhere a receiver or other person (by whatever name called) has been appointed by any court claiming jurisdiction in that behalf to exercise powers with respect to the property or affairs of any Member on the ground (however formulated) of mental disorder, the Directors may in their absolute discretion, upon or subject to production of such evidence of the appointment as the Directors may require, permit such receiver or other person on behalf of such Member, to vote in person or by proxy at any General Meeting, or to exercise any other right conferred by membership in relation to meetings of the Company.
- 65. No Member shall be entitled in respect of shares held by him to vote at a General Meeting either personally or by proxy or to exercise any other right conferred by membership in relation to General Meetings if any call or other sum payable by him to the Company in respect of such shares remains unpaid.
- 66. No objection shall be raised as to the admissibility of any vote except at the General Meeting or adjourned General Meeting at which the vote objected to is or may be given or tendered and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection shall be referred to the chairman of the General Meeting whose decision shall be final and conclusive.
- 67. On a poll, votes may be given either personally or by proxy and a person entitled to more than one vote need not use all his votes or cast all the votes he uses in the same way.
- 68. (A) Save as otherwise provided in the Act:
 - (a) a Member who is not a relevant intermediary may appoint not more than two proxies to attend, speak and vote at the same General Meeting. Where such Member's form of proxy appoints more than one proxy, the proportion of the shareholding concerned to be represented by each proxy shall be specified in the form of proxy; and
 - (b) a Member who is a relevant intermediary may appoint more than two proxies to attend, speak and vote at the same General Meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such Member. (B) A Director may be or become a director of or hold any office or place of profit (other than as Auditor) or be otherwise interested in any company in which the Company may be interested as vendor, purchaser, shareholder or otherwise and unless otherwise agreed shall not be accountable for any fees, remuneration or other benefits received by him as a director or officer of or by virtue of his interest in such other company.

(C) The Directors may exercise the voting power conferred by the shares in any company held or owned by the Company in such manner and in all respects as the Directors think fit in the interests of the Company (including the exercise thereof in favour of any resolution appointing the Directors or any of them to be directors of such company or voting or providing for the payment of remuneration to the directors of such company) and any such Director may vote in favour of the exercise of such voting powers in the manner aforesaid notwithstanding that he may be or be about to be appointed a director of such other company.

82. (A) The Directors may from time to time appoint one or more of their body to be the Chairman or Deputy Chairman of the Company (whether such appointment is executive or non-executive in nature) or to be the holder of any executive office under the Company or under any other company in which the Company is in any way interested on such terms and for such period as they may (subject to the provisions of the Statutes) determine and, without prejudice to the terms of any contract entered into in any particular case, may at any time revoke any such appointment.

(B) The appointment of any Director to the office of Chairman or Deputy Chairman or Managing or Joint Managing or Deputy or Assistant Managing Director shall automatically determine if he ceases to be a Director but without prejudice to any claim for damages for breach of any contract of service between him and the Company.

(C) The appointment of any Director to any other executive office shall not automatically determine if he ceases from any cause to be a Director, unless the contract or resolution under which he holds office shall expressly state otherwise, in which event such determination shall be without prejudice to any claim for damages for breach of any contract of service between him and the Company.

83. The Directors may entrust to and confer upon any Directors holding any executive office under the Company or any other company as aforesaid any of the powers exercisable by them as Directors upon such terms and conditions and with such restrictions as they think fit, and either collaterally with or to the exclusion of their own powers, and may from time to time revoke, withdraw, alter or vary all or any of such powers.

Where such an appointment is for a fixed term, such term shall not exceed five years.

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

85. A Managing Director or a person holding an equivalent position shall be subject to the control of the Directors but subject thereto the Directors may from time to time entrust to and confer upon a Managing Director or a person holding an equivalent position for the time being such of the powers exercisable under these Regulations by the Directors as they may think fit and may confer such powers for such time and to be exercised on such terms and conditions and with such restrictions as they think expedient and they may confer such powers either collaterally with or to the exclusion of and in substitution for all or any of the powers of the Directors in that behalf and may from time to time revoke, withdraw, alter or vary all or any of such powers.
86. A Managing Director shall not while he continues to hold that office be subject to retirement by rotation and he shall not be taken into account in determining the rotation of retirement of Directors but he shall, subject to the provisions of any contract between him and the Company, be subject to the same provisions as to resignation and removal as the other Directors of the Company and if he ceases to hold the office of Director from any cause he shall *ipso facto* and immediately cease to be a Managing Director.
87. The remuneration of a Managing Director shall from time to time be fixed by the Directors and may subject to these Regulations be by way of salary or commission or participation in profits or by any or all these modes but he shall not under any circumstances be remunerated by a commission on or a percentage of turnover.

APPOINTMENT AND RETIREMENT OF DIRECTORS

88. The Company may by Ordinary Resolution appoint any person to be a Director either as an additional Director or to fill a casual vacancy. Without prejudice thereto the Directors shall also have power at any time so to do, but so that the total number of Directors shall not thereby exceed the maximum number fixed by or in accordance with these Regulations. Any person so appointed by the Directors shall hold office only until the next Annual General Meeting and shall then be eligible for re-election, but shall not be taken into account in determining the number of Directors who are to retire by rotation at such meeting.
89. At each Annual General Meeting, one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation, Provided that no Director holding office as Managing Director shall be required to retire by rotation or be taken into account in determining the number of Directors to retire. For the avoidance of doubt, each Director (other than a Director holding office as Managing Director) shall retire at least once every three years.
90. The Directors to retire by rotation shall include (so far as necessary to obtain the number required) any Director who wishes to retire and not to offer himself for re-election. Any further Directors so to retire shall be those of the other Directors subject to retirement by rotation who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by ballot. A retiring Director shall be eligible for re-election.
91. The Company at a General Meeting at which a Director retires under any provision of these Regulations may by Ordinary Resolution fill the office being vacated by electing thereto the retiring Director or some other person eligible for appointment. In default, the retiring Director shall be deemed to have been re-elected except in any of the following cases:-
- (a) where at such meeting it is expressly resolved not to fill such office or a resolution for the re-election of such Director is put to the meeting and lost; or
 - (b) where such Director has given notice in writing to the Company that he is unwilling to be re-elected or where such Director is disqualified under the Act from holding office as a Director;

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

- (c) where such Director is disqualified from acting as a director in any jurisdiction for reasons other than on technical grounds; or
- (d) where the default is due to the moving of a resolution in contravention of the next following Regulation.

The retirement shall not have effect until the conclusion of the meeting except where a resolution is passed to elect some other person in the place of the retiring Director or a resolution for his re-election is put to the meeting and lost and accordingly a retiring Director who is re-elected or deemed to have been re-elected will continue in office without a break.

92. A resolution for the appointment of two or more persons as Directors by a single resolution shall not be moved at any General Meeting unless a resolution that it shall be so moved has first been agreed to by the meeting without any vote being given against it, and any resolution moved in contravention of this provision shall be void.
93. A person who is not a retiring director shall be eligible for election to office of director at any General Meeting if some Member intending to propose him has, at least eleven clear days before the meeting, left at the Office notice in writing signed by some Member duly qualified to attend and vote at the meeting for which such notice is given of his intention to propose such person for election and also notice in writing duly signed by the nominee giving his consent to the nomination and signifying his candidature for the office or the intention of such Member to propose him. Provided that in the case of a person recommended by the Directors for election nine clear days' notice only shall be necessary and notice of each and every candidate for election shall be served on all Members at least seven clear days prior to the meeting at which the election is to take place.
94. The office of a Director shall be vacated in any of the following events, namely:-

 - (b) if (not being a Director holding any executive office for a fixed term) he shall resign by writing under his hand left at the Office or if he shall in writing offer to resign and the Directors shall resolve to accept such offer; or
 - (c) if he shall become bankrupt or have a receiving order made against him or shall make any arrangement or composition with his creditors generally; or
 - (d) if he becomes of unsound mind or mentally disordered and incapable of managing himself or his affairs, or if in Singapore or elsewhere an order shall be made by any court claiming jurisdiction in that behalf on the ground (however formulated) of mental disorder for his detention or for the appointment of a guardian or for the appointment of a receiver or other person (by whatever name called) to exercise powers with respect to his property or affairs; or
 - (e) is absent, for more than six months and without leave of the Directors, from meetings of the Directors held during that period;
 - (f) if he is disqualified from acting as a director in any jurisdiction for reasons other than on technical grounds, he shall immediately resign from the Board of Directors; or
 - (g) if he is removed by the Company in General Meeting pursuant to these Regulations.
95. The Company may in accordance with and subject to the provisions of the Statutes, by Ordinary Resolution of which special notice has been given, remove any Director from office (notwithstanding any provision of these Regulations or of any agreement between the Company and such Director, but without prejudice to any claim he may have for damages for breach of

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

any such agreement) and appoint another person in place of a Director so removed from office, and any person so appointed shall be treated for the purpose of determining the time at which he or any other Director is to retire by rotation as if he had become a Director on the day on which the Director in whose place he is appointed was last appointed a Director. In default of such appointment the vacancy so arising may be filled by the Directors as a casual vacancy.

ALTERNATE DIRECTORS

96. (A) Any Director may at any time by writing under his hand and deposited at the Office, or delivered at a meeting of the Directors, appoint any person (other than another Director or a person who has already been appointed alternate for another Director) to be his alternate Director and may in like manner at any time terminate such appointment. Such appointment, unless previously approved by a majority of the Directors, shall have effect only upon and subject to being so approved.

If his principal is for the time being absent from Singapore or temporarily unable to act through ill health or disability, his signature to any resolution in writing of the Directors shall be as effective as the signature of his principal. To such extent as the Directors may from time to time determine in relation to any committees of the Directors, the foregoing provisions of this paragraph shall also apply *mutatis mutandis* to any meeting of any such committee of which his principal is a member. An alternate Director shall not (save as aforesaid) have any power to act as a Director nor shall he be deemed to be a Director for any other purposes of these Regulations.

(D) An alternate Director shall be entitled to contract and be interested in and benefit from contracts or arrangements or transactions and to be repaid expenses and to be indemnified to the same extent *mutatis mutandis* as if he were a Director but he shall not be entitled to receive from the Company in respect of his appointment as alternate Director any remuneration except only such part (if any) of the remuneration otherwise payable to his principal as such principal may by notice in writing to the Company from time to time direct provided that any fees payable to him shall be deducted from his principal’s remuneration.

Every instrument to which the Seal shall be affixed shall be signed autographically or by facsimile by two Directors by one Director and the Secretary or some other person appointed by the Directors in place of the Secretary for the purpose, save that as regards any certificates for shares or debentures or other securities of the Company, the Directors may by resolution determine that such signatures or either of them shall be dispensed with or affixed by some method of mechanical electronic signature or other method approved by the Directors.
119. (A) The Company may exercise the powers conferred by the Statutes with regard to having an official seal for use abroad and such powers shall be vested in the Directors.

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

(B) The Company may exercise the powers conferred by the Statutes with regard to having a duplicate Seal as referred to in Section 124 of the Act which shall be a facsimile of the Seal with the addition on its face of the words “Share Seal”.

KEEPING OF STATUTORY RECORDS

120. Any register, index, minute book, accounting record, minute or other book required to be kept by the Company under the Statutes may, subject to and in accordance with the Act, be kept either in hard copy or in electronic form, and arranged in the manner that the Directors think fit. If such records are kept in electronic form, the Directors shall ensure that they are capable of being reproduced in hard copy form, and shall provide for the manner in which the records are to be authenticated and verified. In any case where such records are kept otherwise than in hard copy form, the Directors shall take reasonable precautions for ensuring the proper maintenance and authenticity of such records, guarding against falsification and facilitating the discovery of any falsifications. The Company shall cause true English translations of all accounts, minute books or other records required to be kept by the Company under the Statutes which are not kept in English to be made from time to time at intervals of not more than seven days, and shall keep the translations with the originals for so long as the originals are required under the Statutes to be kept. The Company shall also keep at the Office certified English translations of all instruments, certificates, contracts or documents not written in English which the Company is required under the Statutes to make available for public inspection.

AUTHENTICATION OF DOCUMENTS

121. Any Director or the Secretary or any person appointed by the Directors for the purpose shall have power to authenticate any documents affecting the constitution of the Company and any resolutions passed by the Company or the Directors or any committee and any books, records, documents and accounts relating to the business of the Company, and to certify copies thereof or extracts therefrom as true copies or extracts, and where any books, records, documents or accounts are elsewhere than at the Office, the local manager or other officer of the Company having the custody thereof shall be deemed to be a person appointed by the Directors as aforesaid. A document purporting to be a copy of a resolution, or an extract from the minutes of a meeting, of the Company or of the Directors or any committee, which is certified as aforesaid, shall be conclusive evidence in favour of all persons dealing with the Company upon the faith thereof that such resolution has been duly passed, or as the case may be, that any minute so extracted is a true and accurate record of proceedings at a duly constituted meeting. Any authentication or certification made pursuant to this Regulation may be made by any electronic means approved by the Directors from time to time for such purpose incorporating, if the Directors deem necessary, the use of security procedures or devices approved by the Directors.

The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided. The Directors may also, without placing the same to reserve, carry forward any profits. In carrying sums to reserve and in applying the same, the Directors shall comply with the provisions of the Statutes.

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

DIVIDENDS

123. The Company may by Ordinary Resolution declare Dividends but no such Dividend shall exceed the amount recommended by the Directors.
124. If and so far as in the opinion of the Directors, the profits of the Company justify such payments, the Directors may declare and pay the fixed Dividends on any class of shares carrying a fixed Dividend expressed to be payable on fixed dates on the half-yearly or other dates prescribed for the payment thereof and may also from time to time declare and pay interim Dividends on shares of any class of such amounts and on such dates and in respect of such periods as they think fit.
125. Subject to any rights or restrictions attached to any shares or class of shares and except as otherwise permitted under the Act:-
- (a) all Dividends in respect of shares must be paid in proportion to the number of shares held by a Member, but where shares are partly paid, all Dividends must be apportioned and paid proportionately to the amounts paid or credited as paid on the partly paid shares; and
 - (b) all Dividends must be apportioned and paid proportionately to the amounts so paid or credited as paid during any portion or portions of the period in respect of which the Dividend is paid.

For the purposes of this Regulation, an amount paid or credited as paid on a share in advance of a call is to be ignored.

126. (A) No Dividend shall be paid otherwise than out of profits available for distribution under the provisions of the Statutes. The payment by the Directors of any unclaimed dividends or other monies payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof. All Dividends remaining unclaimed after one year from having been first payable may be invested or otherwise made use of by the Directors for the benefit of the Company, and any Dividend or any such monies unclaimed after six (6) years from having been first payable shall be forfeited and shall revert to the Company provided always that the Directors may at any time thereafter at their absolute discretion annul any such forfeiture and pay the Dividend so forfeited to the person entitled thereto prior to the forfeiture. If CDP returns any such Dividend or monies to the Company, the relevant Depositor shall not have any right or claim in respect of such Dividend or monies against the Company if a period of six years has elapsed from the date of the declaration of such Dividend or the date on which such other monies are first payable.
- (B) A payment by the Company to CDP of any Dividend or other monies payable to a Depositor shall, to the extent of the payment made, discharge the Company from any liability to the Depositor in respect of that payment.
127. No Dividend or other monies payable on or in respect of a share shall bear interest as against the Company.
128. (A) The Directors may retain any Dividend or other monies payable on or in respect of a share on which the Company has a lien and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.
- (B) The Directors may retain the Dividends payable upon shares in respect of which any person is under the provisions as to the transmission of shares hereinbefore contained entitled to become a Member, or which any person is under those provisions entitled to transfer, until such person shall become a Member in respect of such shares or shall transfer the same.
- (C) A transfer of shares shall not pass the right to any dividend declared thereon before the registration of the transfer.

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

129. The waiver in whole or in part of any Dividend on any share by any document (whether or not under seal) shall be effective only if such document is signed by the Member (or the person entitled to the share in consequence of the death or bankruptcy of the holder) and delivered to the Company and if or to the extent that the same is accepted as such or acted upon by the Company.
130. The Company may upon the recommendation of the Directors by Ordinary Resolution direct payment of a Dividend in whole or in part by the distribution of specific assets (and in particular of paid-up shares or debentures of any other company or in any one or more of such ways) and the Directors shall give effect to such resolution. Where any difficulty arises with regard to such distribution, the Directors may settle the same as they think expedient and in particular, may issue fractional certificates, may fix the value for distribution of such specific assets or any part thereof, may determine that cash payments shall be made to any Member upon the footing of the value so fixed in order to adjust the rights of all parties and may vest any such specific assets in trustees as may seem expedient to the Directors.
131. Any Dividend or other monies payable in cash on or in respect of a share may be paid by cheque or warrant sent through the post to the registered address appearing in the Register of Members or (as the case may be) the Depository Register of the Member or person entitled thereto (or, if two or more persons are registered in the Register of Members or (as the case may be) entered in the Depository Register as joint holders of the share or are entitled thereto in consequence of the death or bankruptcy of the holder, to any one of such persons) or to such person and such address as such Member or person or persons may by writing direct. Every such cheque or warrant shall be made payable to the order of the person to whom it is sent or to such person as the holder or joint holders or person or persons entitled to the share in consequence of the death or bankruptcy of the holder may direct and payment of the cheque or warrant by the banker upon whom it is drawn shall be a good discharge to the Company. Every such cheque or warrant shall be sent at the risk of the person entitled to the money represented thereby.
132. If two or more persons are registered in the Register of Members or (as the case may be) the Depository Register as joint holders of any share, or are entitled jointly to a share in consequence of the death or bankruptcy of the holder, any one of them may give effectual receipts for any Dividend, return of capital or other monies payable or property distributable on or in respect of the share.
133. Any resolution declaring a Dividend on shares of any class, whether a resolution of the Company in General Meeting or a resolution of the Directors, may specify that the same shall be payable to the persons registered as the holders of such shares in the Register of Members or (as the case may be) the Depository Register at the close of business on a particular date and thereupon the Dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights *inter se* in respect of such Dividend of transferors and transferees of any such shares.
134. (A) Whenever the Directors or the Company in general meeting have resolved or proposed that a dividend (including an interim, final, special or other dividend) be paid or declared on the ordinary shares of the Company, the Directors may further resolve that Members entitled to such dividend be entitled to elect to receive an allotment of ordinary shares credited as fully paid in lieu of cash in respect of the whole or such part of the dividend as the Directors may think fit.

In such case, the following provisions shall apply:

- (a) the basis of any such allotment shall be determined by the Directors;
- (b) the Directors shall determine the manner in which Members shall be entitled to elect to receive an allotment of ordinary shares credited as fully paid in lieu of cash in respect of the whole or such part of any dividend in respect of which the Directors shall have passed such a resolution as aforesaid, and the Directors may make such arrangements as to the giving of notice to Members, providing for forms of election

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

for completion by Members (whether in respect of a particular dividend or dividends or generally), determining the procedure for making such elections or revoking the same and the place at which and the latest date and time by which any forms of election or other documents by which elections are made or revoked must be lodged, and otherwise make all such arrangements and do all such things, as the Directors consider necessary or expedient in connection with the provisions of this Regulation;

- (c) the right of election may be exercised in respect of the whole of that portion of the dividend in respect of which the right of election has been accorded provided that the Directors may determine, either generally or in any specific case, that such right shall be exercisable in respect of the whole or any part of that portion; and
 - (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on ordinary shares in respect whereof the share election has been duly exercised (the “elected ordinary shares”) and in lieu and in satisfaction thereof ordinary shares shall be allotted and credited as fully paid to the holders of the elected ordinary shares on the basis of allotment determined as aforesaid and for such purpose and (notwithstanding any provision of the Regulations to the contrary), the Directors shall be empowered to do all things necessary and convenient for the purpose of implementing the aforesaid including, without limitation, the making of each necessary allotment of shares and of each necessary appropriation, capitalisation, application, payment and distribution of funds which may be lawfully appropriated, capitalised, applied, paid or distributed for the purpose of the allotment and without prejudice to the generality of the foregoing the Directors may (i) capitalise and apply the amount standing to the credit of any of the Company’s reserve accounts or any sum standing to the credit of the profit and loss account or otherwise for distribution as the Directors may determine, such sum as may be required to pay up in full the appropriate number of ordinary shares for allotment and distribution to and among the holders of the elected ordinary shares on such basis, or (ii) apply the sum which would otherwise have been payable in cash to the holders of the elected ordinary shares towards payment of the appropriate number of ordinary shares for allotment and distribution to and among the holders of the elected ordinary shares on such basis.
- (B)
- (a) The ordinary shares allotted pursuant to the provisions of paragraph (A) of this Regulation shall rank *pari passu* in all respects with the ordinary shares then in issue save only as regards participation in the dividend which is the subject of the election referred to above (including the right to make the election referred to above) or any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneous with the payment or declaration of the dividend which is the subject of the election referred to above, unless the Directors shall otherwise specify.
 - (b) The Directors may do all acts and things considered necessary or expedient to give effect to any appropriation, capitalisation, application, payment and distribution of funds pursuant to the provisions of paragraph (A) of this Regulation, with full power to make such provisions as they think fit in the case of fractional entitlements to shares (including, notwithstanding any provision to the contrary in these Regulations, provisions whereby, in whole or in part, fractional entitlements are disregarded or rounded up or down), or whereby the benefit of fractional entitlements accrues to the Company rather than the Members) and to authorize any person to enter on behalf of all the Members interested into an agreement with the Company providing for any such appropriation, capitalisation, application, payment and distribution of funds and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned.
 - (c) The Directors shall determine the manner in which Members shall be entitled to elect to receive an allotment of ordinary shares credited as fully paid in lieu of cash in respect of the whole or such part of any dividend in respect of which the Directors

APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

shall have passed such a resolution as aforesaid, and the Directors may make such arrangements as to the giving of notice to Members, providing for forms of election for completion by Members (whether in respect of a particular dividend or dividends or generally), determining the procedure for making such elections or revoking the same and the place at which and the latest date and time by which any forms of election or other documents by which elections are made or revoked must be lodged, and otherwise make all such arrangements and do all such things, as the Directors consider necessary or expedient in connection with the provisions of this Regulation 134.

(C) The Directors may, on any occasion when they resolve as provided in paragraph (A) of this Regulation 134, determine that the rights of election under that paragraph shall not be made available to the persons who are registered as holders of ordinary shares in the Register of Members or (as the case may be) in the Depository Register, or in respect of ordinary shares the transfer of which is registered, after such date as the Directors may fix subject to such exceptions as the Directors think fit, and in such event the provisions of this Regulation 134 shall be read and construed subject to such determination.

(D) The Directors may, on any occasion when they resolve as provided in paragraph (A) of this Regulation 134, further determine that no allotment of ordinary shares or rights of election for ordinary shares under that paragraph shall be made available or made to Members whose registered addresses entered the Register of Members or (as the case may be) the Depository Register is outside Singapore or to such other Members or class of Members as the Directors may in their sole discretion decide and in such event the only entitlements of the Members aforesaid shall be to receive in cash the relevant dividend resolved or proposed to be paid or declared.

(E) Notwithstanding the foregoing provisions of this Regulation 134, if at any time after the Directors' resolution to apply the provisions of paragraph (A) of this Regulation 134 in relation to any dividend but prior to the allotment of ordinary shares pursuant thereto, the Directors shall consider that by reason of any event or circumstance (whether arising before or after such resolution) or by reason of any matter whatsoever it is no longer expedient or appropriate to implement that proposal, the Directors may at their absolute discretion and as they deem fit in the interest of the Company, cancel the proposed application of paragraph (A) of this Regulation 134.

BONUS ISSUES AND CAPITALISATION OF PROFITS AND RESERVES

135. (A) The Directors may, with the sanction of an Ordinary Resolution of the Company (including any Ordinary Resolution passed pursuant to Regulation 5(B):
- (a) issue bonus shares for which no consideration is payable to the Company to the persons registered as holders of shares in the Register of Members or (as the case may be) the Depository Register at the close of business on:
 - (i) the date of the Ordinary Resolution (or such other date as may be specified therein or determined as therein provided); or
 - (ii) (in the case of an Ordinary Resolution passed pursuant to Regulation 5(B)) such other date as may be determined by the Directors, in proportion to their then holdings of shares; and/or
 - (b) capitalise any sum standing to the credit of any of the Company's reserve accounts or other undistributable reserve or any sum standing to the credit of profit and loss account by appropriating such sum to the persons registered as holders of shares in

- (ii) (in the case of an Ordinary Resolution passed pursuant to Regulation 5(B)) such other date as may be determined by the Directors,

in proportion to their then holdings of shares and applying such sum on their behalf in paying up in full unissued shares (or, subject to any special rights previously conferred on any shares or class of shares for the time being issued, unissued shares of any other class not being redeemable shares) for allotment and distribution credited as fully paid up to and amongst them as bonus shares in the proportion aforesaid.

(B) The Directors may do all acts and things considered necessary or expedient to give effect to any such bonus issue or capitalisation under this Regulation 135, with full power to the Directors to make such provisions as they think fit for any fractional entitlements which would arise on the basis aforesaid (including provisions whereby fractional entitlements are disregarded or the benefit thereof accrues to the Company rather than to the Members concerned). The Directors may authorise any person to enter on behalf of all the Members interested into an agreement with the Company providing for any such bonus issue or capitalisation and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned.

(C) In addition and without prejudice to the powers provided for by this Regulation 135, the Directors shall have power to issue shares for which no consideration is payable and to capitalise any undivided profits or other monies of the Company not required for the payment or provision of any Dividend on any shares entitled to cumulative or non-cumulative preferential Dividends (including profits or other monies carried and standing to any reserve or reserves) and to apply such profits or other monies in paying up in full, in each case on terms that such shares shall, upon issue, be held by or for the benefit of participants of any share incentive or option scheme or plan implemented by the Company and approved by Members in General Meeting and on such terms as the Directors shall think fit.

(D) The Directors may do all such acts and things considered necessary or expedient to give effect to any of the foregoing.

No Member of the Company or other person shall have any right of inspecting any account or book or document of the Company except as conferred by statute or ordered by a court of competent jurisdiction or authorised by the Directors.

- (B) Subject to the provisions of the Statutes, all acts done by any person acting as an Auditor shall, as regards all persons dealing in good faith with the Company, be valid, notwithstanding that there was some defect in his appointment or that he was at the time of his appointment not qualified for appointment or subsequently became disqualified.
140. An Auditor shall be entitled to attend any General Meeting and to receive all notices of and other communications relating to any General Meeting which any Member is entitled to receive and to be heard at any General Meeting on any part of the business of the meeting which concerns him as Auditor.

NOTICES

141. (A) Any notice or document (including a share certificate) may be served on or delivered to any Member by the Company either personally or by sending it through the post in a prepaid cover addressed to such Member at his Singapore registered address appearing in the Register of Members or (as the case may be) the Depository Register, or (if he has no registered address within Singapore) to the address, if any, within Singapore supplied by him to the Company, or (as the case may be) CDP as his address for the service of notices, or by delivering it to such address as aforesaid. APPENDIX 1 – THE PROPOSED NEW CONSTITUTION

- (b) by making it available on a website pursuant to this Regulation, it shall be deemed to have been duly given, sent or served on the date on which the notice or document is first made available on the website, or unless otherwise provided under the Act and/or any other applicable regulations or procedures.

(D) Notwithstanding Regulation 141(C) above, subject always to the listing rules of the Designated Stock Exchange, the Directors may, at their discretion, at any time give a Member an opportunity to elect within a specified period of time whether to receive such notice or document by way of electronic communications or as a physical copy, and such Member shall be deemed to have consented to receive such notice or document by way of electronic communications if he was given such an opportunity and he failed to make an election within the specified time, and he shall not in such an event have a right to receive a physical copy of such notice or document, unless otherwise provided under applicable laws. The election made under this Regulation 141(D) as to the form of notice or document to be received by a Member shall be a standing election although a Member may make a fresh election at any time and until the Member makes a fresh election, the election that is conveyed under this Regulation 141(D) to the Company last in time prevails over all previous elections as to the Member's valid and subsisting election in relation to all notices or documents to be sent to him.

(E) Notwithstanding any provision of the Regulations to the contrary, all electronic communication as well as the service of documents by the Company to Members shall be subject to the listing rules of the Designated Stock Exchange. In particular, pursuant to the listing rules of the Designated Stock Exchange, the Company shall provide (a) forms or acceptance letters that Members may be required to complete; (b) notice of General Meetings, excluding circulars or letters referred in that notice; (c) notices and documents relating to takeover offers and rights issues; and (d) notices under Regulation 141(F) below, to Members by way of physical copies.

(F) When the Company uses electronic communications to send a document to a Member, the Company shall inform the Member as soon as practicable of how to request a physical copy of that document from the Company, and the Company shall provide a physical copy of that document upon such request. Further, if the Company uses website publication as the form of electronic communications, the Company shall separately provide a physical notification to Members notifying of the following: (a) the publication of the document on the website; (b) if the document is not available on the website on the date of notification, the date on which it will be available; (c) the address of the website; (d) the place on the website where the document may be accessed; and (e) how to access the document.

142. Any notice given to that one of the joint holders of a share whose name stands first in the Register of Members or (as the case may be) the Depository Register in respect of the share shall be sufficient notice to all the joint holders in their capacity as such. For such purpose, a joint holder having no registered address in Singapore and not having supplied an address within Singapore for the service of notices shall be disregarded.
143. A person entitled to a share in consequence of the death or bankruptcy of a Member upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share, and upon supplying also to the Company or (as the case may be) CDP an address within Singapore for the service of notices, shall be entitled to have served upon or delivered to him at such address any notice or document to which the Member but for his death or bankruptcy would have been entitled, and such service or delivery shall for all purposes be deemed a sufficient service or delivery of such notice or document on all persons interested (whether jointly with or as claiming through or under him) in the share. Save as aforesaid, any notice or document delivered or sent by post to or left at the registered address or given, sent or served by electronic communication to the current address (as the case may be) of any Member

in pursuance of these Regulations shall, notwithstanding that such Member be then dead or bankrupt or in liquidation, and whether or not the Company or (as the case may be) CDP have notice of his death or bankruptcy or liquidation, be deemed to have been duly served or delivered in respect of any share registered in the name of such Member in the Register of Members or, where such Member is a Depositor, entered against his name in the Depository Register as sole or first-named joint holder.

144. A Member who (having no registered address within Singapore) has not supplied to the Company or (as the case may be) CDP an address within Singapore for the service of notices shall not be entitled to receive notices from the Company.

MEMBERS WHOSE WHEREABOUTS ARE UNKNOWN

145. If the Company is unable, for not less than ten (10) years and despite the exercise of reasonable diligence, to discover the whereabouts of a Member, it may exercise its power under the Statutes to transfer the shares of the Member to the Official Receiver of Singapore for sale by the Official Receiver and credit of the proceeds thereof into the Singapore Companies Liquidation Account, and thereafter any person claiming the shares otherwise than through the Official Receiver shall only be entitled to claim against the said Account or the Singapore Consolidated Fund as the case may be, in accordance with the provisions of the Statutes.

WINDING UP

146. The Directors shall have power in the name and on behalf of the Company to present a petition to the court for the Company to be wound up.
147. If the Company shall be wound up (whether the liquidation is voluntary, under supervision, or by the court) the Liquidator may, with the authority of a Special Resolution, divide among the Members *in specie* or in kind the whole or any part of the assets of the Company and whether or not the assets shall consist of property of one kind or shall consist of properties of different kinds, and may for such purpose set such value as he deems fair upon any one or more class or classes of property and may determine how such division shall be carried out as between the Members of different classes of Members. The Liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Members as the Liquidator with the like authority shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no contributory shall be compelled to accept any shares or other property in respect of which there is a liability.

INDEMNITY

148. Subject to the provisions of and so far as may be permitted by the Statutes, every officer of the Company is to be indemnified out of the assets of the Company against any liability (as permitted under the Act) incurred by the officer to a person other than the Company attaching to the officer in connection with any negligence, breach of duty or breach of trust.
149. Subject to the provisions of and so far as may be permitted by the Statutes, every Auditor is to be indemnified out of the assets of the Company against any liability incurred by the Auditor in defending any proceedings, whether civil or criminal, in which judgment is given in the Auditor's favour or which the Auditor is acquitted or in connection with any application under the Act in which relief is granted to the Auditor by the Court in respect of any negligence, default, breach of duty or breach of trust.
150. The Company must not indemnify any person in respect of any costs, charges, losses, expenses and liabilities, or pay any premium for a contract, if and to the extent that the Company is prohibited by law from doing so.

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

rights attached to any shares for the time being issued, the Directors may allot and issue shares or grant options over or otherwise dispose of the same to such persons on such terms and conditions and for such consideration (if any) and at such time and whether or not subject to the payment of any part of the amount (if any) thereof in cash or otherwise as the Directors may think fit, and any shares may, be issued with such preferential, deferred, qualified or special rights, privileges or conditions as the Directors may think fit, and preference shares may be issued which are or at the option of the Company are liable to be redeemed, the terms and manner of redemption being determined by the Directors in accordance with the Act, Provided Always that no options shall be granted over unissued shares except in accordance with the Act and the Designated Stock Exchange's listing rules.

(B) The Directors may, at any time after the allotment of any share but before any person has been entered in the Register of Members as the holder, recognise a renunciation thereof by the allottee in favour of some other person and may accord to any allottee of a share a right to effect such renunciation upon and subject to such terms and conditions as the Directors may think fit to impose.

(C) Except so far as otherwise provided by the conditions of issue or by these Regulations, all new shares shall be issued subject to the provisions of the Statutes and of these Regulations with reference to allotment, payment of calls, lien, transfer, transmission, forfeiture or otherwise.

(D) Except as herein provided, no person shall exercise any rights or privileges of a Member until he is registered in the Register of Members or (as the case may be) the Depository Register as a Member and shall have paid all calls and other moneys due for the time being on every share held by him.

(E) Except so far as otherwise provided by the conditions of issue or by this Constitution, all new shares shall be subject to the provisions of the Act and this Constitution with reference to allotments, payment of calls, lien, transfer, transmission, forfeiture and otherwise.

4. The Company shall not exercise any right in respect of treasury shares other than as provided by the Act. Subject thereto, the Company may hold or deal with its treasury shares in the manner authorised by, or prescribed pursuant to, the Act.

5. (A) Subject to any direction to the contrary that may be given by the Company in General Meeting or except as permitted under the Designated Stock Exchange's listing rules, all new shares shall before issue be offered to such persons who as at the date of the offer are entitled to receive notices from the Company of General Meetings in proportion, as far as the circumstances admit, to the number of the existing shares to which they are entitled. In offering such new shares in the first instance to all the then holders of any class of shares, the offer shall be made by notice specifying the number of shares offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and, after the expiration of the aforesaid time, or on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares offered, the Directors may dispose of those shares in such manner as they think most beneficial to the Company. (B) Notwithstanding Regulation 5(A) above, the Company may by Ordinary Resolution in General Meeting give to the Directors a general authority, either unconditionally or subject to such conditions as may be specified in the Ordinary Resolution, to:–

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

 - (ii) make or grant offers, agreements or options (collectively, “Instruments”) that might or would require shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible into shares; and
- (b) (notwithstanding the authority conferred by the Ordinary Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors while the Ordinary Resolution was in force,

Provided that:–

 - (2) in exercising the authority conferred by the Ordinary Resolution, the Company shall comply with the provisions of the listing rules of the Designated Stock Exchange for the time being in force (unless such compliance is waived by the Designated Stock Exchange) and these Regulations; and
 - (3) (unless revoked or varied by the Company in General Meeting) the authority conferred by the Ordinary Resolution shall not continue in force beyond the conclusion of the Annual General Meeting of the Company next following the passing of the Ordinary Resolution, or the date by which such Annual General Meeting of the Company is required by law to be held, or the expiration of such other period as may be prescribed by the Act (whichever is the earliest).
- (C) The Company may, notwithstanding Regulations 5(A) and 5(B) above, authorise the Directors not to offer new shares to Members to whom by reason of foreign securities laws, such offers may not be made without registration of the shares or a prospectus or other document, but to sell the entitlements to the new shares on behalf of such Members on such terms and conditions as the Company may direct.
- (D) No shares may be issued to transfer a controlling interest without prior approval of the Company in a general meeting.
- 6. The Company may pay commissions or brokerage on any issue of shares at such rate or amount and in such manner as the Directors may deem fit. Such commissions or brokerage may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in one way and partly in the other.
 - 7. Where any shares are issued for the purpose of raising money to defray the expenses of the construction of any works or buildings or the provision of any plant which cannot be made profitable for a long period, the Company may pay interest on so much of that share capital (except treasury shares) as is for the time being paid up for the period and charge the same to capital as part of the cost of the construction of the works or buildings or the provision of the plant, subject to the conditions and restrictions mentioned in the Act.
 - 8. (A) Preference shares may be issued subject to such limitation thereof as may be prescribed by the Designated Stock Exchange. Preference shareholders shall have the same rights as ordinary shareholders as regards receiving of notices, reports and balance-sheets and attending General Meetings of the Company, and preference shareholders shall also have the right to vote at any General Meeting convened for the purpose of reducing capital or winding-up or sanctioning a sale of the undertaking of the Company or

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

where the proposal to be submitted to the General Meeting directly affects their rights and privileges or when the Dividend on the preference shares is more than six months in arrear.

(B) The Company has power to issue further preference capital ranking equally with, or in priority to, preference shares already issued.

(C) The rights attaching to shares of a class other than ordinary shares shall be expressed in this Constitution.

(D) The Company may issue shares for which no consideration is payable to the Company.

VARIATION OF RIGHTS

9. (A) Whenever the share capital of the Company is divided into different classes of shares, the variation or abrogation of the special rights attached to any class may, subject to the provisions of the Act, only be made ~~either with the consent in writing of the holders of three-quarters of the total number of the issued shares of the class or with the sanction of a Special Resolution passed at a separate General Meeting of the holders of the shares of the class (but not otherwise) and may be so made either whilst the Company is a going concern or during or in contemplation of a winding-up. To every such separate General Meeting all the provisions of these Regulations relating to General Meetings of the Company and to the proceedings thereat shall *mutatis mutandis* apply, except that the necessary quorum shall be two or more persons holding at least one-third of the total number of the issued shares of the class present in person or by proxy or attorney and that any holder of shares of the class present in person or by proxy or attorney may demand a poll, Provided Always that where the necessary majority for such a Special Resolution is not obtained at such General Meeting, the consent in writing, if obtained from the holders of three-quarters of the total number of the issued shares of the class concerned within two months of such General Meeting, shall be as valid and effectual as a Special Resolution carried at such General Meeting.~~

(B) The provisions in Regulation 9(A) shall *mutatis mutandis* apply to any repayment of preference capital (other than redeemable preference capital) and any variation or abrogation of the rights attached to preference shares or any class thereof.

(C) The rights attached to any class of shares having preferential or other rights shall not unless otherwise expressly provided by the terms of issue thereof be deemed to be varied by the creation or issue of further shares ranking as regards participation in the profits or assets of the Company in some or all respects *pari passu* therewith but in no respect in priority thereto.

ALTERATION OF SHARE CAPITAL

10. (A) The Company may by Ordinary Resolution:-
- (a) consolidate and divide all or any of its share capital;
 - (b) sub-divide its shares, or any of them (subject nevertheless to the provisions of the Act and this Constitution), provided always that in such subdivision the proportion between the amount paid and the amount (if any) unpaid on each reduced share shall be same as it was in the case of the share from which the reduced share is derived;

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

- (c) subject to the provisions of this Constitution and the Act, convert its share capital or any class of shares from one currency to another currency; and/or
 - (d) cancel the number of shares which at the date of the passing of the resolution in that behalf have not been taken or agreed to be taken by any person or which have been forfeited and diminish the amount of its share capital by the number of the shares so cancelled.
- (B) The Company may by Special Resolution, subject to and in accordance with the Statutes and the Designated Stock Exchange's listing rules, convert one class of shares into another class of shares.
11. (A) The Company may reduce its share capital or any other undistributable reserve in any manner permitted, and with, and subject to, any incident authorised, and consent or confirmation required, by law.
- (B) The Company may purchase or otherwise acquire its issued shares subject to and in accordance with the provisions of the Statutes (including the Act) and any applicable rules of the Designated Stock Exchange (hereafter, the “**Relevant Laws**”), on such terms and in such manner as it may from time to time think fit, and subject to such conditions as the Company may in General Meeting prescribe in accordance with the Relevant Laws. Any shares purchased or acquired by the Company as aforesaid shall, unless held in treasury in accordance with the Act, be deemed to be cancelled immediately on purchase or acquisition by the Company. On the cancellation of any share as aforesaid, the rights and privileges attached to that share shall expire. In any other instance, the Company may hold or deal with any such share which is so purchased or acquired by it in such manner as may be permitted by, and in accordance with the Relevant Laws. Without prejudice to the generality of the foregoing, upon cancellation of any share purchased or otherwise acquired by the Company pursuant to these Regulations and the Statutes, the number of issued shares of the Company shall be diminished by the number of shares so cancelled, and, where any such cancelled share was purchased or acquired out of the capital of the Company, the amount of share capital of the Company shall be reduced accordingly.

SHARE CERTIFICATES

12. (A) Every certificate shall be issued under the Seal and shall bear the facsimile signatures or the autographic signatures at least of any two Directors or one of the Director and the Secretary or such other person as may be authorised by the Directors, and shall specify the number and class of shares to which it relates, whether the shares are fully or partly paid up, and the amount (if any) unpaid thereon. The facsimile signatures may be reproduced by mechanical or other means provided the method or system of reproducing signatures has first been approved by the Directors of the Company. No certificate shall be issued representing shares of more than one class.
- (B) The provisions in this Regulation and in Regulations 13 to 16 (so far as they are applicable) shall not apply to transfer of book-entry securities.
13. (A) The Company shall not be bound to register more than three persons as joint holders of a share except in the case of executors, trustees or administrators of the estate of a deceased Member.
- (B) Only one certificate shall be issued in respect of any share.
- (C) In the case of a share held jointly by several persons, the Company shall not be bound to issue more than one certificate therefor and delivery of a certificate to any one of the joint holders shall be sufficient delivery to all. Only the person whose name stands first

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

- in the Register of Members as one of the joint holders of any share shall be entitled to delivery of the certificate relating to such share.
14. Every person whose name is entered as a Member in the Register of Members shall be entitled, within ten market days (or such period as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) after the closing date of any application for shares or the date of lodgement of a registrable transfer or on a transmission of shares (as the case may be), to receive one certificate for all his shares of any one class or to several certificates in reasonable denominations each for a part of the shares so allotted or transferred.
15. (A) Where a Member transfers part only of the shares comprised in a certificate or where a Member requires the Company to cancel any certificate or certificates and issue new certificates for the purpose of subdividing his holding in a different manner, the old certificate or certificates shall be cancelled and a new certificate or certificates for the balance of such shares (in the case of transfer) and the whole of such shares (in the case of sub-division) shall be issued in lieu thereof and the Member shall pay (in the case of sub-division) a maximum fee of S\$2.00 (or such other fee as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) for each new certificate. Where some only of the shares comprised in a share certificate are transferred, the new certificate for the balance of such shares shall be issued in lieu thereof without charge.
- (B) Any two or more certificates representing shares of any one class held by any Member may at his request be cancelled and a single new certificate for such shares issued in lieu thereof without charge.
16. Subject to the provisions of the ~~Statutes Act~~, if any share certificate shall be defaced, worn out, destroyed, lost or stolen, it may be renewed on such evidence being produced and a letter of indemnity (if required) being given by the shareholder, transferee, person entitled, purchaser, member firm or member company of the Designated Stock Exchange or on behalf of its or their client or clients as the Directors shall require, and in case of defacement or wearing out on delivery of the old certificate, and in any case on payment of such sum not exceeding S\$2.00 (or such other fee as the Directors may determine having regard to any limitation thereof as may be prescribed by the Designated Stock Exchange from time to time) as the Directors may from time to time require. In the case of destruction, loss or theft, a shareholder or person entitled to, and to whom such renewed certificate is given shall also bear the loss and pay to the Company all expenses incidental to the investigations by the Company of the evidence of such destruction or loss.

CALLS ON SHARES

17. The Directors may from time to time make calls upon the Members in respect of any monies unpaid on their shares but subject always to the terms of issue of such shares. A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed and may be made payable by instalments.
18. Each Member shall (subject to receiving at least fourteen days' notice specifying the time or times and place of payment) pay to the Company at the time or times and place so specified the amount called on his shares. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof. A call may be revoked or postponed as the Directors may determine.
19. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the sum from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding eight per cent. per annum) as the Directors may determine but the Directors shall be at liberty in any case or cases to waive payment of such interest in whole or in part.

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

20. Any sum which by the terms of issue of a share becomes payable upon allotment or at any fixed date shall for all the purposes of these Regulations be deemed to be a call duly made and payable on the date on which by the terms of issue the same becomes payable. In the case of non-payment, all the relevant provisions of these Regulations as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.
21. The Directors may on the issue of shares differentiate between the holders as to the amount of calls to be paid and the times of payment.
22. (A) The Directors may if they think fit receive from any Member willing to advance the same all or any part of the monies uncalled and unpaid upon the shares held by him and such payment in advance of calls shall extinguish, so far as the same shall extend, the liability upon the shares in respect of which it is made and upon the monies so received (until and to the extent that the same would but for such advance become payable) the Company may pay interest at such rate (not exceeding eight per cent. per annum, unless the Company in general meeting otherwise directs) as the Member paying such sum and the Directors may agree. Capital paid on shares in advance of calls shall not, whilst bearing interest, confer a right to participate in profits.
- (B) The Directors may apply all dividends which may be declared in respect of any shares in payment of any calls made or instalments payable and which may remain unpaid in respect of the same shares.

FORFEITURE AND LIEN

23. If a Member fails to pay in full any call or instalment of a call on the due date for payment thereof, the Directors may at any time thereafter serve a notice on him requiring payment of so much of the call or instalment as is unpaid together with any interest which may have accrued thereon and any expenses incurred by the Company by reason of such non-payment.
24. The notice shall name a further day (not earlier than the expiration of fourteen days from the date of service of the notice) on or before which and the place where the payment required by the notice is to be made, and shall state that in the event of non-payment in accordance therewith the shares on which the call has been made will be liable to be forfeited.
25. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may at any time thereafter, before payment of all calls and interest and expenses due in respect thereof has been made, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all Dividends declared in respect of the forfeited share and not actually paid before forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder.
26. A share so forfeited or surrendered shall become the property of the Company and may be sold, re-allotted or otherwise disposed of either to the person who was before such forfeiture or surrender the holder thereof or entitled thereto or to any other person upon such terms and in such manner as the Directors shall think fit, and at any time before a sale, re-allotment or disposal, the forfeiture or surrender may be cancelled on such terms as the Directors shall think fit. The Directors may, if necessary, authorise some person to transfer a share so forfeited or surrendered to any such other person as aforesaid.
27. A Member whose shares have been forfeited or surrendered shall cease to be a Member in respect of such shares but shall notwithstanding the forfeiture or surrender remain liable to pay to the Company all monies which at the date of forfeiture or surrender were presently payable by him to the Company in respect of such shares with interest thereon at eight per cent. per annum (or such lower rate as the Directors may determine) from the

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

date of forfeiture or surrender until payment and the Directors may at their absolute discretion enforce payment without any allowance for the value of such shares at that time of forfeiture or surrender or waive payment in whole or in part.

28. The Company shall have a first and paramount lien on every share (not being a fully paid share) and Dividends from time to time declared in respect of such shares. Such lien shall be restricted to unpaid calls and instalments upon the specific shares in respect of which such monies are due and unpaid, and to such amounts as the Company may be called upon by law to pay in respect of the shares of the Member or deceased Member. The Directors may waive any lien which has arisen and may resolve that any share shall for some limited period be exempt wholly or partially from the provisions of this Regulation 28.
29. (A) The Company may sell in such manner as the Directors think fit any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable nor until the expiration of fourteen days after a notice in writing stating and demanding payment of the sum presently payable and giving notice of intention to sell in default shall have been given to the holder for the time being of the share or the person entitled thereto (if any) entitled to effect a transmission of the shares and who shall have produced to the Company satisfactory evidence of such capacity and default in payment shall have been made by him or them for fourteen days after such notice. Provided always that if a Member shall have died or become mentally disordered and incapable of managing himself or his affairs or bankrupt and no person shall have given to the Company satisfactory proof of his right to effect a transmission of the shares held by such Member the Directors may exercise such power of sale without serving any such notice.
- (B) In the event of a forfeiture of shares or a sale of shares to satisfy the Company's lien thereon the Member or other person who prior to such forfeiture or sale was entitled thereto shall be bound to deliver and shall forthwith deliver to the Company the certificate or certificates held by him for the shares so forfeited or sold.
30. The net proceeds of such sale after payment of the costs of such sale shall be applied in or towards payment or satisfaction of the debts or liabilities (including unpaid calls and accrued interest and expenses) and any residue shall be paid to the person entitled to the shares at the time of the sale or to his executors, administrators or assignees, as he may direct. For the purpose of giving effect to any such sale, the Directors may authorise some person to transfer the shares sold to the purchaser.
31. A statutory declaration in writing that the declarant is a Director or the Secretary of the Company and that a share has been duly forfeited or surrendered or sold to satisfy a lien of the Company on a date stated in the declaration shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share. Such declaration and the receipt by the Company of the consideration (if any) given for the share on the sale, re-allotment or disposal thereof together with the share certificate delivered to a purchaser (or where the purchaser is a Depositor, the Depository Register) or allottee thereof shall (subject to the execution of a transfer if the same be required) constitute a good title to the share and the person to whom the share is sold, re-allotted or disposed of shall be registered as the holder of the share, or where such person is a Depositor, the Company shall procure that his name be entered in the Depository Register in respect of the share so sold, re-allotted or disposed of.  - (d) the instrument of transfer is in respect of only one class of shares.

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

If he elects to have another person registered he shall testify his election by executing to that person a transfer of the share. All the limitations, restrictions and provisions of these Regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the event upon which transmission took place had not occurred and the notice or transfer were a transfer executed by such Member.

(a) except as required by the Statutes or law, a Depositor shall only be entitled to attend any General Meeting and to speak and vote thereat if his name appears on the Depository Register maintained by CDP 72 hours before the General Meeting as a Depositor on whose behalf CDP holds shares in the Company, the Company being entitled to deem each such Depositor, or each proxy or proxies of a Depositor who is to represent the entire balance standing to the Securities Account of the Depositor, to represent such number of shares as is actually credited to the Securities Account of the Depositor as at such time, according to the records of CDP as supplied by CDP to the Company, and where a Depositor has apportioned the balance standing to his Securities Account between such number of proxies, to apportion the said number of shares between the proxies in the same proportion as previously specified by the Depositor in appointing the proxies; and accordingly no instrument appointing a proxy of a Depositor shall be rendered invalid merely by reason of any discrepancy between the proportion of Depositor's shareholding specified in the instrument of proxy, or where the balance standing to a Depositor's Securities Account has been apportioned

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

between such number of proxies the aggregate of the proportions of the Depositor's shareholding they are specified to represent, and the true balance standing to the Securities Account of a Depositor as at the time of the General Meeting, if the instrument is dealt with in such manner as is provided above;

- (b) the payment by the Company to CDP of any Dividend payable to a Depositor shall to the extent of the payment discharge the Company from any further liability in respect of the payment;

- 43. The Company may from time to time by Ordinary Resolution convert any paid-up shares into stock and may from time to time by like resolution reconvert any stock into paid-up shares of any denomination.
- 44. The holders of stock may transfer the same or any part thereof in the same manner and subject to the same Regulations as and subject to which the shares from which the stock arose might previously to conversion have been transferred (or as near thereto as circumstances admit) but no stock shall be transferable except in such units as the Directors may from time to time determine.
- 45. The holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards Dividend, return of capital, voting and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except as regards participation in the profits or assets of the Company) shall be conferred by an amount of stock which would not, if existing in shares, have conferred such privilege or advantage, and no such conversion shall affect or prejudice any preference or other special privileges attached to the shares so converted.

All other General Meetings shall be called Extraordinary General Meetings. The interval between the close of a financial year of the Company and the date of the Company's Annual General Meeting shall not exceed four months or such other period as prescribed by the Act and the byelaws and listing rules of the Designated Stock Exchange or other legislation applicable to the Company from time to time.

47. The Directors may whenever they think fit, and shall on requisition in accordance with the Statutes, proceed with proper expedition to convene an Extraordinary General Meeting.

NOTICE OF GENERAL MEETINGS

48. Any Annual General Meeting and any Extraordinary General Meeting at which it is proposed to pass a Special Resolution or (save as provided by the Statutes) a resolution of which special notice has been given to the Company, shall be called by twenty-one clear days' notice in writing at the least and an Annual General Meeting or any other Extraordinary General Meeting, by fourteen clear days' notice in writing at the least. The period of notice shall in each case be exclusive of the day on which it is served or deemed to be served and of the day on which the General Meeting is to be held and shall be given in manner hereinafter mentioned to all Members other than those who are not under the provisions of these Regulations entitled to receive such notices from the Company, Provided that, subject always to the Designated Stock Exchange's listing rules, a General Meeting notwithstanding that it has been called by a shorter notice than that specified above shall be deemed to have been duly called if it is so agreed:-

- (a) in the case of an Annual General Meeting by all the Members entitled to attend and vote thereat; and
- (b) in the case of an Extraordinary General Meeting by a majority in number of the Members having a right to attend and vote thereat, being a majority together holding not less than 95 per cent. of the total voting rights of all the Members having a right to vote at thereat;

Provided also that the accidental omission to give notice to or the non-receipt of notice by any person entitled thereto shall not invalidate the proceedings at any General Meeting. At least fourteen days' notice (excluding the date of notice and the date of meeting) of any General Meeting shall be given to shareholders by advertisement in the daily press and in writing to the Designated Stock Exchange, Provided Always that in the case of any Extraordinary General Meeting at which it is proposed to pass a Special Resolution, at least twenty-one days' notice in writing (excluding the date of notice and the date of meeting) of such Extraordinary General Meeting shall be given to shareholders by advertisement in the daily press and in writing to the Designated Stock Exchange.

49. (A) Every notice calling a General Meeting shall specify the place, day and hour of the meeting, and there shall appear with reasonable prominence in every such notice a statement that a Member entitled to attend and vote is entitled to appoint a proxy or proxies to attend and vote instead of him and that a proxy need not be a Member of the Company.
- (B) In the case of an Annual General Meeting, the notice shall also specify the meeting as such.
- (C) In the case of any General Meeting at which business other than routine business ("special business") is to be transacted, the notice shall specify the general nature of such business, and if any resolution is to be proposed as a Special Resolution, the notice shall contain a statement to that effect.

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

50. Routine business shall mean and include only business transacted at an Annual General Meeting of the following classes, that is to say:-
- (a) declaring Dividends;
 - (b) receiving and adopting the financial statements, the Directors' statement, and the Auditors' reports and other documents required to be attached or annexed to the financial statements;
 - (c) appointing or re-appointing Directors to fill vacancies arising at the meeting on retirement whether by rotation or otherwise;
 - (d) appointing Auditors or re-appointing the retiring Auditors (unless they were last appointed otherwise than by the Company in General Meeting);
 - (e) fixing the remuneration of the Auditors or determining the manner in which such remuneration is to be fixed; and
 - (f) fixing the Directors fees.
51. Any notice of a General Meeting to consider special business shall be accompanied by a statement regarding the effect of any proposed resolution on the Company in respect of such special business.

PROCEEDINGS AT GENERAL MEETINGS

52. The Chairman of the Board of Directors, failing whom the Deputy Chairman, shall preside as chairman at a General Meeting. If there be no such Chairman or Deputy Chairman, or if at any General Meeting neither be present within five minutes after the time appointed for holding the meeting and willing to act, the Directors present shall choose one of their number (or, if no Director be present or if all the Directors present decline to take the chair, the Members present shall choose one of their number) to be chairman of the General Meeting. If required by the listing rules of the Designated Stock Exchange, all general meetings shall be held in Singapore, unless prohibited by relevant laws and regulations of the jurisdiction of the Company's incorporation, or unless such requirement is waived by the Designated Stock Exchange.
53. No business other than the appointment of a Chairman shall be transacted at any General Meeting unless a quorum is present at the time when the meeting proceeds to business. Save as herein otherwise provided, the quorum at any General Meeting shall be two Members present in person or by proxy, provided that (i) a proxy representing more than one Member shall only count as one Member for purpose of determining if the quorum aforesaid is present; and (ii) where a Member is represented by more than one proxy, such proxies of such Member shall only count as one Member for purposes of determining if the quorum aforesaid is present. In addition, for the purposes of a quorum, joint holders of any share shall be treated as one Member.
54. If within thirty minutes from the time appointed for a General Meeting (or such longer interval as the chairman of the meeting may think fit to allow) a quorum is not present, the meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week (or if that day is a public holiday then to the next business day following that public holiday) at the same time and place or such other day, time or place as the Directors may by not less than ten days' notice appoint.
55. The chairman of any General Meeting at which a quorum is present may with the consent of the meeting (and shall if so directed by the meeting) adjourn the meeting from time to

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

- time (or *sine die*) and from place to place, but no business shall be transacted at any adjourned meeting except business which might lawfully have been transacted at the meeting from which the adjournment took place. Where a General Meeting is adjourned *sine die*, the time and place for the adjourned meeting shall be fixed by the Directors. When a General Meeting is adjourned for thirty days or more or *sine die*, not less than seven days' notice of the adjourned meeting shall be given in like manner as in the case of the original meeting.
56. Save as hereinbefore expressly provided, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned General Meeting.
57. If an amendment shall be proposed to any resolution under consideration but shall in good faith be ruled out of order by the chairman of the General Meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a Special Resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.
58. (A) If required by the listing rules of the Designated Stock Exchange, a resolution put to the vote at any General Meeting shall be decided by a poll (unless such requirement is waived by the Designated Stock Exchange).
- (B) Subject to Regulation 58(A), at any General Meeting, a resolution put to the vote of the meeting shall be decided on a show of hands by the Members present in person and entitled to vote, unless a poll is (before or on the declaration of the result of the show of hands) demanded by:-
- (a) the chairman of the meeting; or
 - (b) not less than two Members present in person or by proxy and entitled to vote; or
 - (c) any Member or Members present in person or by proxy, or where such a Member has appointed two or more proxies any one of such proxies, or any number or combination of such Members or proxies, holding or representing as the case may be not less than 5 per cent. of the total voting rights of all the Members having the right to vote at the General Meeting; or
 - (d) any Member or Members present in person or by proxy, or where such a Member has appointed two or more proxies any one of such proxies, or any number or combination of such Members or proxies, holding shares conferring a right to vote at the General Meeting, of which an aggregate sum has been paid up equal to not less than 5 per cent. of the total sum paid up on all the share conferring that right,
- A demand for a poll made pursuant to this Regulation 58(B) may be withdrawn only with the approval of the meeting.
- (C) If any votes be counted which ought not to have been counted or might have been rejected, the error shall not vitiate the result of the voting unless it be pointed out at the same General Meeting or at any adjournment thereof and not in any case unless it shall in the opinion of the Chairman be of sufficient magnitude.
59. Unless a poll is required, a declaration by the chairman of the General Meeting that a resolution has been carried, or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the minute book, shall be conclusive evidence of that fact ~~without proof of the number or proportion of the votes recorded for or against such resolution.~~ If a

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

- poll is required, it shall be taken in such manner (including the use of ballot or voting papers or tickets or electronic means) as the chairman of the General Meeting may direct, and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was required. The chairman of the General Meeting may (and, if required by the listing rules of the Designated Stock Exchange or if so directed by the meeting shall) appoint scrutineers and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll. Where required by the listing rules of the Designated Stock Exchange, at least one scrutineer shall be appointed for each General Meeting. The appointed scrutineer(s) shall be independent of the persons undertaking the polling process. Where the appointed scrutineer is interested in the resolution(s) to be passed at the General Meeting, it shall refrain from acting as the scrutineer for such resolution(s). Further, the appointed scrutineer shall exercise the following duties: (a) ensuring that satisfactory procedures of the voting process are in place before the General Meeting; and (b) directing and supervising the count of the votes cast through proxy and in person.
60. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of the General Meeting at which the show of hands takes place or at which the poll is required shall be entitled to a casting vote. That said, where only two (2) Directors form the quorum for the General Meeting, the chairman of the General Meeting at which only such a quorum is present, or at which only two (2) Directors are competent to vote on the matter at issue, shall not have a casting vote.
61. (A) A poll on the choice of a chairman of the meeting or on a question of adjournment shall be taken immediately. A poll required on any other question shall be taken either immediately or at such subsequent time (not being more than thirty days from the date of the Meeting) and place as the chairman of the Meeting may direct. No notice need be given of a poll not taken immediately. The demand for a poll pursuant to Regulation 58(B) shall not prevent the continuance of the General Meeting for the transaction of any business other than the question on which the poll has been demanded.
- (B) After the Chairman of any meeting shall have declared the General Meeting to be over and shall have left the chair no business or question shall under any pretext whatsoever be brought forward or discussed.
- (C) Subject to the Statutes and to the listing rules of the Designated Stock Exchange, the Members may, if the Directors at their absolute discretion deem fit, participate at a General Meeting by electronic means, including but not limited to electronic communication, video conferencing, teleconferencing or such other electronic means whereby all persons participating in the General Meeting are able to hear and, if applicable, see each other and such participation shall constitute presence in person at such General Meeting and Members, whether present in person or by proxy (where a Member has appointed more than one proxy, any one of such proxies may represent the Member) or by attorney or in the case of a corporation, by a representative, so participating shall be counted in the quorum for the General Meeting. Unless otherwise determined by the Directors, the “place” of such General Meeting (when it is convened, held and/or conducted by electronic means) shall be deemed to be the Company’s place of business in Singapore.

VOTES OF MEMBERS

62. (A) Subject to any special rights, privileges or restrictions as to voting attached by or in accordance with these Regulations to any class of shares, and to Regulation 4, each Member entitled to vote may vote in person or by proxy.
- (B) On a show of hands every Member who is present in person or by proxy shall have one vote, provided that:

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

- (a) in the case of a Member who is not a relevant intermediary and who is represented by two proxies, only one of the two proxies as determined by that Member or, failing such determination, by the Chairman of the meeting (or by a person authorised by him) in his sole discretion shall be entitled to vote on a show of hands; and
 - (b) in the case of a Member who is a relevant intermediary and who is represented by two or more proxies, each proxy shall be entitled to vote on a show of hands.
- (C) On a poll every Member who is present in person or by proxy shall have one vote for every share of which he holds or represents. For the purposes of determining the number of votes which a Member, being a Depositor, or his proxy or proxies may cast at any General Meeting on a poll, the references to shares held or represented shall, in relation to shares of that Depositor, be the number of shares entered against his name in the Depository Register as at 72 hours before the time of the relevant General Meeting. A Member who is bankrupt shall not, while his bankruptcy continues, be entitled to exercise his rights as a Member, or attend, vote or act at any General Meeting.
- 63. In the case of joint holders of a share, any one of such persons may vote and be reckoned in a quorum at any General Meeting either personally or by proxy as if he were solely entitled thereto, but if more than one of such persons is present at a meeting, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and for this purpose seniority shall be determined by the name which stands first in the Register of Members or, as the case may be, the name which appears first in the Depository Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purpose of this Regulation be deemed joint holders thereof.
- 64. Where in Singapore or elsewhere a receiver or other person (by whatever name called) has been appointed by any court claiming jurisdiction in that behalf to exercise powers with respect to the property or affairs of any Member on the ground (however formulated) of mental disorder, the Directors may in their absolute discretion, upon or subject to production of such evidence of the appointment as the Directors may require, permit such receiver or other person on behalf of such Member, to vote in person or by proxy at any General Meeting, or to exercise any other right conferred by membership in relation to meetings of the Company.
- 65. No Member shall be entitled in respect of shares held by him to vote at a General Meeting either personally or by proxy or to exercise any other right conferred by membership in relation to General Meetings if any call or other sum payable by him to the Company in respect of such shares remains unpaid.
- 66. No objection shall be raised as to the admissibility of any vote except at the General Meeting or adjourned General Meeting at which the vote objected to is or may be given or tendered and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection shall be referred to the chairman of the General Meeting whose decision shall be final and conclusive.
- 67. On a poll, votes may be given either personally or by proxy and a person entitled to more than one vote need not use all his votes or cast all the votes he uses in the same way.
- 68. (A) Save as otherwise provided in the Act:
 - (a) a Member who is not a relevant intermediary may appoint not more than two proxies to attend, speak and vote at the same General Meeting. Where such Member's form of proxy appoints more than one proxy, the proportion of the

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

shareholding concerned to be represented by each proxy shall be specified in the form of proxy; and

(b) a Member who is a relevant intermediary may appoint more than two proxies to attend, speak and vote at the same General Meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such Member. Where such Member's form of proxy appoints more than two proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the form of proxy.

(B) (a) In any case where a Member is a Depositor, the Company shall be entitled and bound:-

(i) to reject any instrument of proxy lodged by that Depositor if he is not shown to have any shares entered against his name in the Depository Register as at 72 hours before the time of the relevant General Meeting; and

(ii) to accept as the maximum number of votes which in aggregate the proxy or proxies appointed by the Depositor is or are able to cast on a poll a number which is the number of shares entered into against the name of that Depositor in the Depository Register as at 72 hours before the time of the relevant General Meeting, whether that number is greater or smaller than the number specified in any instrument of proxy executed by or on behalf of that Depositor.

(b) The Company shall be entitled and bound, in determining rights to vote and other matters in respect of a completed instrument of proxy submitted to it, to have regard to the instructions (if any) given by and the notes (if any) set out in the instrument of proxy.

(C) Where a Member appoints more than one proxy, the Member shall specify the proportion of his shares to be represented by each such proxy, failing which the nomination shall be deemed to be alternative.

(D) A proxy need not be a Member of the Company.

69. (A) An instrument appointing a proxy for any Member shall be in writing in any usual or common form or in any other form which the Directors may approve and:-

(a) in the case of an individual Member:

(i) signed by the appointor or his attorney if the instrument of proxy is delivered personally or sent by post; or

(ii) authorised by that individual through such method and in such manner as may be approved by the Directors, if the instrument is submitted by electronic communication; and

(b) in the case of a Member which is a corporation:

(i) either given under its common seal or signed on its behalf by an attorney or a duly authorised officer of the corporation if the instrument of proxy is delivered personally or sent by post; or

(ii) authorised by that corporation through such method and in such manner as may be approved by the Directors, if the instrument is submitted by electronic communication.

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

(B) The signatures on an instrument of proxy need not be witnessed. Where an instrument appointing a proxy is signed on behalf of a Member (which shall, for purposes of this paragraph include a Depositor) by an attorney, the letter or power of attorney or a duly certified copy thereof shall (failing previous registration with the Company) be lodged with the instrument of proxy pursuant to the next following Regulation, failing which the instrument of proxy may be treated as invalid.

(C) The Directors may, in their absolute discretion:

121. Any Director or the Secretary or any person appointed by the Directors for the purpose shall have power to authenticate any documents affecting the constitution of the Company and any resolutions passed by the Company or the Directors or any committee and any books, records, documents and accounts relating to the business of the Company, and to certify copies thereof or extracts therefrom as true copies or extracts, and where any books, records, documents or accounts are elsewhere than at the Office, the local manager or other officer of the Company having the custody thereof shall be deemed to be a person appointed by the Directors as aforesaid. A document purporting to be a copy of a resolution, or an extract from the minutes of a meeting, of the Company or of the Directors or any committee, which is certified as aforesaid, shall be conclusive evidence in favour of all persons dealing with the Company upon the faith thereof that such resolution has been duly passed, or as the case may be, that any minute so extracted is a true and accurate record of proceedings at a duly constituted meeting. Any authentication or certification made pursuant to this Regulation may be made by any electronic means approved by the Directors from time to time for such purpose incorporating, if the Directors deem necessary, the use of security procedures or devices approved by the Directors.

RESERVES

122. The Directors may from time to time set aside out of the profits of the Company and carry to reserve such sums as they think proper which, at the discretion of the Directors, shall be applicable for any purpose to which the profits of the Company may properly be applied and pending such application may either be employed in the business of the Company or be invested. The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided. The Directors may also, without placing the same to reserve, carry forward any profits. In carrying sums to reserve and in applying the same, the Directors shall comply with the provisions of the Statutes.

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

DIVIDENDS

123. The Company may by Ordinary Resolution declare Dividends but no such Dividend shall exceed the amount recommended by the Directors.
124. If and so far as in the opinion of the Directors, the profits of the Company justify such payments, the Directors may declare and pay the fixed Dividends on any class of shares carrying a fixed Dividend expressed to be payable on fixed dates on the half-yearly or other dates prescribed for the payment thereof and may also from time to time declare and pay interim Dividends on shares of any class of such amounts and on such dates and in respect of such periods as they think fit.
125. Subject to any rights or restrictions attached to any shares or class of shares and except as otherwise permitted under the Act:-
- (a) all Dividends in respect of shares must be paid in proportion to the number of shares held by a Member, but where shares are partly paid, all Dividends must be apportioned and paid proportionately to the amounts paid or credited as paid on the partly paid shares; and
 - (b) all Dividends must be apportioned and paid proportionately to the amounts so paid or credited as paid during any portion or portions of the period in respect of which the Dividend is paid.

For the purposes of this Regulation, an amount paid or credited as paid on a share in advance of a call is to be ignored.

126. (A) No Dividend shall be paid otherwise than out of profits available for distribution under the provisions of the Statutes. The payment by the Directors of any unclaimed dividends or other monies payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof. All Dividends remaining unclaimed after one year from having been first payable may be invested or otherwise made use of by the Directors for the benefit of the Company, and any Dividend or any such monies unclaimed after six (6) years from having been first payable shall be forfeited and shall revert to the Company provided always that the Directors may at any time thereafter at their absolute discretion annul any such forfeiture and pay the Dividend so forfeited to the person entitled thereto prior to the forfeiture. If CDP returns any such Dividend or monies to the Company, the relevant Depositor shall not have any right or claim in respect of such Dividend or monies against the Company if a period of six years has elapsed from the date of the declaration of such Dividend or the date on which such other monies are first payable.
- (B) A payment by the Company to CDP of any Dividend or other monies payable to a Depositor shall, to the extent of the payment made, discharge the Company from any liability to the Depositor in respect of that payment.
127. No Dividend or other monies payable on or in respect of a share shall bear interest as against the Company.
128. (A) The Directors may retain any Dividend or other monies payable on or in respect of a share on which the Company has a lien and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.
- (B) The Directors may retain the Dividends payable upon shares in respect of which any person is under the provisions as to the transmission of shares hereinbefore contained entitled to become a Member, or which any person is under those provisions entitled to transfer, until such person shall become a Member in respect of such shares or shall transfer the same.

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

- (C) A transfer of shares shall not pass the right to any dividend declared thereon before the registration of the transfer.
129. The waiver in whole or in part of any Dividend on any share by any document (whether or not under seal) shall be effective only if such document is signed by the Member (or the person entitled to the share in consequence of the death or bankruptcy of the holder) and delivered to the Company and if or to the extent that the same is accepted as such or acted upon by the Company.
130. The Company may upon the recommendation of the Directors by Ordinary Resolution direct payment of a Dividend in whole or in part by the distribution of specific assets (and in particular of paid-up shares or debentures of any other company or in any one or more of such ways) and the Directors shall give effect to such resolution. Where any difficulty arises with regard to such distribution, the Directors may settle the same as they think expedient and in particular, may issue fractional certificates, may fix the value for distribution of such specific assets or any part thereof, may determine that cash payments shall be made to any Member upon the footing of the value so fixed in order to adjust the rights of all parties and may vest any such specific assets in trustees as may seem expedient to the Directors.
131. Any Dividend or other monies payable in cash on or in respect of a share may be paid by cheque or warrant sent through the post to the registered address appearing in the Register of Members or (as the case may be) the Depository Register of the Member or person entitled thereto (or, if two or more persons are registered in the Register of Members or (as the case may be) entered in the Depository Register as joint holders of the share or are entitled thereto in consequence of the death or bankruptcy of the holder, to any one of such persons) or to such person and such address as such Member or person or persons may by writing direct. Every such cheque or warrant shall be made payable to the order of the person to whom it is sent or to such person as the holder or joint holders or person or persons entitled to the share in consequence of the death or bankruptcy of the holder may direct and payment of the cheque or warrant by the banker upon whom it is drawn shall be a good discharge to the Company. Every such cheque or warrant shall be sent at the risk of the person entitled to the money represented thereby.
132. If two or more persons are registered in the Register of Members or (as the case may be) the Depository Register as joint holders of any share, or are entitled jointly to a share in consequence of the death or bankruptcy of the holder, any one of them may give effectual receipts for any Dividend, return of capital or other monies payable or property distributable on or in respect of the share.
133. Any resolution declaring a Dividend on shares of any class, whether a resolution of the Company in General Meeting or a resolution of the Directors, may specify that the same shall be payable to the persons registered as the holders of such shares in the Register of Members or (as the case may be) the Depository Register at the close of business on a particular date and thereupon the Dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights *inter se* in respect of such Dividend of transferors and transferees of any such shares.
134. (A) Whenever the Directors or the Company in general meeting have resolved or proposed that a dividend (including an interim, final, special or other dividend) be paid or declared on the ordinary shares of the Company, the Directors may further resolve that Members entitled to such dividend be entitled to elect to receive an allotment of ordinary shares credited as fully paid in lieu of cash in respect of the whole or such part of the dividend as the Directors may think fit.

In such case, the following provisions shall apply:

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

- (a) the basis of any such allotment shall be determined by the Directors;
 - (b) the Directors shall determine the manner in which Members shall be entitled to elect to receive an allotment of ordinary shares credited as fully paid in lieu of cash in respect of the whole or such part of any dividend in respect of which the Directors shall have passed such a resolution as aforesaid, and the Directors may make such arrangements as to the giving of notice to Members, providing for forms of election for completion by Members (whether in respect of a particular dividend or dividends or generally), determining the procedure for making such elections or revoking the same and the place at which and the latest date and time by which any forms of election or other documents by which elections are made or revoked must be lodged, and otherwise make all such arrangements and do all such things, as the Directors consider necessary or expedient in connection with the provisions of this Regulation;
 - (c) the right of election may be exercised in respect of the whole of that portion of the dividend in respect of which the right of election has been accorded provided that the Directors may determine, either generally or in any specific case, that such right shall be exercisable in respect of the whole or any part of that portion; and
 - (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on ordinary shares in respect whereof the share election has been duly exercised (the “elected ordinary shares”) and in lieu and in satisfaction thereof ordinary shares shall be allotted and credited as fully paid to the holders of the elected ordinary shares on the basis of allotment determined as aforesaid and for such purpose and (notwithstanding any provision of the Regulations to the contrary), the Directors shall be empowered to do all things necessary and convenient for the purpose of implementing the aforesaid including, without limitation, the making of each necessary allotment of shares and of each necessary appropriation, capitalisation, application, payment and distribution of funds which may be lawfully appropriated, capitalised, applied, paid or distributed for the purpose of the allotment and without prejudice to the generality of the foregoing the Directors may (i) capitalise and apply the amount standing to the credit of any of the Company’s reserve accounts or any sum standing to the credit of the profit and loss account or otherwise for distribution as the Directors may determine, such sum as may be required to pay up in full the appropriate number of ordinary shares for allotment and distribution to and among the holders of the elected ordinary shares on such basis, or (ii) apply the sum which would otherwise have been payable in cash to the holders of the elected ordinary shares towards payment of the appropriate number of ordinary shares for allotment and distribution to and among the holders of the elected ordinary shares on such basis.
- (B)
- (a) The ordinary shares allotted pursuant to the provisions of paragraph (A) of this Regulation shall rank *pari passu* in all respects with the ordinary shares then in issue save only as regards participation in the dividend which is the subject of the election referred to above (including the right to make the election referred to above) or any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneous with the payment or declaration of the dividend which is the subject of the election referred to above, unless the Directors shall otherwise specify.
 - (b) The Directors may do all acts and things considered necessary or expedient to give effect to any appropriation, capitalisation, application, payment and distribution of funds pursuant to the provisions of paragraph (A) of this Regulation, with full power to make such provisions as they think fit in the case of

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

fractional entitlements to shares (including, notwithstanding any provision to the contrary in these Regulations, provisions whereby, in whole or in part, fractional entitlements are disregarded or rounded up or down), or whereby the benefit of fractional entitlements accrues to the Company rather than the Members) and to authorize any person to enter on behalf of all the Members interested into an agreement with the Company providing for any such appropriation, capitalisation, application, payment and distribution of funds and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned.

- (c) The Directors shall determine the manner in which Members shall be entitled to elect to receive an allotment of ordinary shares credited as fully paid in lieu of cash in respect of the whole or such part of any dividend in respect of which the Directors shall have passed such a resolution as aforesaid, and the Directors may make such arrangements as to the giving of notice to Members, providing for forms of election for completion by Members (whether in respect of a particular dividend or dividends or generally), determining the procedure for making such elections or revoking the same and the place at which and the latest date and time by which any forms of election or other documents by which elections are made or revoked must be lodged, and otherwise make all such arrangements and do all such things, as the Directors consider necessary or expedient in connection with the provisions of this Regulation 134.

(C) The Directors may, on any occasion when they resolve as provided in paragraph (A) of this Regulation 134, determine that the rights of election under that paragraph shall not be made available to the persons who are registered as holders of ordinary shares in the Register of Members or (as the case may be) in the Depository Register, or in respect of ordinary shares the transfer of which is registered, after such date as the Directors may fix subject to such exceptions as the Directors think fit, and in such event the provisions of this Regulation 134 shall be read and construed subject to such determination.

(D) The Directors may, on any occasion when they resolve as provided in paragraph (A) of this Regulation 134, further determine that no allotment of ordinary shares or rights of election for ordinary shares under that paragraph shall be made available or made to Members whose registered addresses entered the Register of Members or (as the case may be) the Depository Register is outside Singapore or to such other Members or class of Members as the Directors may in their sole discretion decide and in such event the only entitlements of the Members aforesaid shall be to receive in cash the relevant dividend resolved or proposed to be paid or declared.

(E) Notwithstanding the foregoing provisions of this Regulation 134, if at any time after the Directors' resolution to apply the provisions of paragraph (A) of this Regulation 134 in relation to any dividend but prior to the allotment of ordinary shares pursuant thereto, the Directors shall consider that by reason of any event or circumstance (whether arising before or after such resolution) or by reason of any matter whatsoever it is no longer expedient or appropriate to implement that proposal, the Directors may at their absolute discretion and as they deem fit in the interest of the Company, cancel the proposed application of paragraph (A) of this Regulation 134.

BONUS ISSUES AND CAPITALISATION OF PROFITS AND RESERVES

135. (A) The Directors may, with the sanction of an Ordinary Resolution of the Company (including any Ordinary Resolution passed pursuant to Regulation 5(B):
- (a) issue bonus shares for which no consideration is payable to the Company to the persons registered as holders of shares in the Register of Members

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

or (as the case may be) the Depository Register at the close of business on:

- (i) the date of the Ordinary Resolution (or such other date as may be specified therein or determined as therein provided); or
 - (ii) (in the case of an Ordinary Resolution passed pursuant to Regulation 5(B)) such other date as may be determined by the Directors, in proportion to their then holdings of shares; and/or
- (b) capitalise any sum standing to the credit of any of the Company's reserve accounts or other undistributable reserve or any sum standing to the credit of profit and loss account by appropriating such sum to the persons registered as holders of shares in the Register of Members or (as the case may be) in the Depository Register at the close of business on:
- (i) the date of the Ordinary Resolution (or such other date as may be specified therein or determined as therein provided); or
 - (ii) (in the case of an Ordinary Resolution passed pursuant to Regulation 5(B)) such other date as may be determined by the Directors,

in proportion to their then holdings of shares and applying such sum on their behalf in paying up in full unissued shares (or, subject to any special rights previously conferred on any shares or class of shares for the time being issued, unissued shares of any other class not being redeemable shares) for allotment and distribution credited as fully paid up to and amongst them as bonus shares in the proportion aforesaid.

(B) The Directors may do all acts and things considered necessary or expedient to give effect to any such bonus issue or capitalisation under this Regulation 135, with full power to the Directors to make such provisions as they think fit for any fractional entitlements which would arise on the basis aforesaid (including provisions whereby fractional entitlements are disregarded or the benefit thereof accrues to the Company rather than to the Members concerned). The Directors may authorise any person to enter on behalf of all the Members interested into an agreement with the Company providing for any such bonus issue or capitalisation and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned.

(C) In addition and without prejudice to the powers provided for by this Regulation 135, the Directors shall have power to issue shares for which no consideration is payable and to capitalise any undivided profits or other monies of the Company not required for the payment or provision of any Dividend on any shares entitled to cumulative or non-cumulative preferential Dividends (including profits or other monies carried and standing to any reserve or reserves) and to apply such profits or other monies in paying up in full, in each case on terms that such shares shall, upon issue, be held by or for the benefit of participants of any share incentive or option scheme or plan implemented by the Company and approved by Members in General Meeting and on such terms as the Directors shall think fit.

(D) The Directors may do all such acts and things considered necessary or expedient to give effect to any of the foregoing.

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

136. (A) The Directors shall cause to be kept such accounting and other records as are necessary to comply with the provisions of the Act and shall cause those records to be kept in such manner as to enable them to be conveniently and properly audited.

No Member of the Company or other person shall have any right of inspecting any account or book or document of the Company except as conferred by statute or ordered by a court of competent jurisdiction or authorised by the Directors.

AUDITORS

139. (A) An Auditor shall be appointed and his duties regulated in accordance with the provisions of the Act. Every Auditor of the Company shall have a right of access at all times to the accounting and other records of the Company and shall make his report as required by the Act.
- (B) Subject to the provisions of the Statutes, all acts done by any person acting as an Auditor shall, as regards all persons dealing in good faith with the Company, be valid, notwithstanding that there was some defect in his appointment or that he was at the time of his appointment not qualified for appointment or subsequently became disqualified.
140. An Auditor shall be entitled to attend any General Meeting and to receive all notices of and other communications relating to any General Meeting which any Member is entitled to receive and to be heard at any General Meeting on any part of the business of the meeting which concerns him as Auditor.

141. (A) Any notice or document (including a share certificate) may be served on or delivered to any Member by the Company either personally or by sending it through the post in a prepaid cover addressed to such Member at his Singapore registered address appearing in the Register of Members or (as the case may be) the Depository Register, or (if he has no registered address within Singapore) to the address, if any, within Singapore supplied by him to the Company, or (as the case may be) CDP as his address for the service of notices, or by delivering it to such address as aforesaid. Where any notice or other document is served or delivered by post, service or delivery shall be deemed to have

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

been served at the time the envelope or cover containing the same is posted, and in proving such service or delivery, it shall be sufficient to prove that such envelope or cover was properly addressed, stamped and posted.

(B) Subject to the listing rules of the Designated Stock Exchange, any notice of meeting or other document required or permitted to be given, sent or served under the Act or these Regulations may be given, sent or served by the Company to a Member using electronic communications (a) to the current address of that Member (which may be an email address); or (b) by making it available on a website prescribed by the Company from time to time; or (c) in such manner as such Member expressly consents by giving notice in writing to the Company, in accordance with this Constitution, the Act and/or any other applicable regulations or procedures, ~~if the member has agreed generally or specifically that such notice or document may be given by electronic means and has not revoked that agreement.~~ Where a notice or document is given, sent or served by electronic communications:

- (a) to the current address of a person pursuant to this Regulation, it shall be deemed to have been duly given, sent or served at the time of transmission of the electronic communication by the email server or facility operated by the Company or its service provider to the current address of such person (notwithstanding any delayed receipt, non-delivery or “returned mail” reply message or any other error message indicating that the electronic communication was delayed or not successfully sent), unless otherwise provided under the Act and/or any other applicable regulations or procedures; and
- (b) by making it available on a website pursuant to this Regulation, it shall be deemed to have been duly given, sent or served on the date on which the notice or document is first made available on the website, or unless otherwise provided under the Act and/or any other applicable regulations or procedures.

(C) For the purposes of Regulation 141(B) above, subject always to the listing rules of the Designated Stock Exchange, a Member shall be implied to have agreed to receive such notice or document by way of such electronic communications and shall not have a right to elect to receive a physical copy of such notice or document, unless otherwise provided under applicable laws.

(D) Notwithstanding Regulation 141(C) above, subject always to the listing rules of the Designated Stock Exchange, the Directors may, at their discretion, at any time give a Member an opportunity to elect within a specified period of time whether to receive such notice or document by way of electronic communications or as a physical copy, and such Member shall be deemed to have consented to receive such notice or document by way of electronic communications if he was given such an opportunity and he failed to make an election within the specified time, and he shall not in such an event have a right to receive a physical copy of such notice or document, unless otherwise provided under applicable laws. The election made under this Regulation 141(D) as to the form of notice or document to be received by a Member shall be a standing election although a Member may make a fresh election at any time and until the Member makes a fresh election, the election that is conveyed under this Regulation 141(D) to the Company last in time prevails over all previous elections as to the Member’s valid and subsisting election in relation to all notices or documents to be sent to him.

(E) Notwithstanding any provision of the Regulations to the contrary, all electronic communication as well as the service of documents by the Company to Members shall be subject to the listing rules of the Designated Stock Exchange. APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

relating to takeover offers and rights issues; and (d) notices under Regulation 141(F) below, to Members by way of physical copies.

(F) When the Company uses electronic communications to send a document to a Member, the Company shall inform the Member as soon as practicable of how to request a physical copy of that document from the Company, and the Company shall provide a physical copy of that document upon such request. Further, if the Company uses website publication as the form of electronic communications, the Company shall separately provide a physical notification to Members notifying of the following: (a) the publication of the document on the website; (b) if the document is not available on the website on the date of notification, the date on which it will be available; (c) the address of the website; (d) the place on the website where the document may be accessed; and (e) how to access the document.

142. Any notice given to that one of the joint holders of a share whose name stands first in the Register of Members or (as the case may be) the Depository Register in respect of the share shall be sufficient notice to all the joint holders in their capacity as such. For such purpose, a joint holder having no registered address in Singapore and not having supplied an address within Singapore for the service of notices shall be disregarded.
143. A person entitled to a share in consequence of the death or bankruptcy of a Member upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share, and upon supplying also to the Company or (as the case may be) CDP an address within Singapore for the service of notices, shall be entitled to have served upon or delivered to him at such address any notice or document to which the Member but for his death or bankruptcy would have been entitled, and such service or delivery shall for all purposes be deemed a sufficient service or delivery of such notice or document on all persons interested (whether jointly with or as claiming through or under him) in the share. Save as aforesaid, any notice or document delivered or sent by post to or left at the registered address or given, sent or served by electronic communication to the current address (as the case may be) of any Member in pursuance of these Regulations shall, notwithstanding that such Member be then dead or bankrupt or in liquidation, and whether or not the Company or (as the case may be) CDP have notice of his death or bankruptcy or liquidation, be deemed to have been duly served or delivered in respect of any share registered in the name of such Member in the Register of Members or, where such Member is a Depositor, entered against his name in the Depository Register as sole or first-named joint holder.
144. A Member who (having no registered address within Singapore) has not supplied to the Company or (as the case may be) CDP an address within Singapore for the service of notices shall not be entitled to receive notices from the Company.

MEMBERS WHOSE WHEREABOUTS ARE UNKNOWN

145. If the Company is unable, for not less than ten (10) years and despite the exercise of reasonable diligence, to discover the whereabouts of a Member, it may exercise its power under the Statutes to transfer the shares of the Member to the Official Receiver of Singapore for sale by the Official Receiver and credit of the proceeds thereof into the Singapore Companies Liquidation Account, and thereafter any person claiming the shares otherwise than through the Official Receiver shall only be entitled to claim against the said Account or the Singapore Consolidated Fund as the case may be, in accordance with the provisions of the Statutes.

WINDING UP

APPENDIX 2 – THE PROPOSED AMENDMENTS TO THE EXISTING CONSTITUTION

146. The Directors shall have power in the name and on behalf of the Company to present a petition to the court for the Company to be wound up.
147. If the Company shall be wound up (whether the liquidation is voluntary, under supervision, or by the court) the Liquidator may, with the authority of a Special Resolution, divide among the Members *in specie* or in kind the whole or any part of the assets of the Company and whether or not the assets shall consist of property of one kind or shall consist of properties of different kinds, and may for such purpose set such value as he deems fair upon any one or more class or classes of property and may determine how such division shall be carried out as between the Members of different classes of Members. The Liquidator may, with the like authority, vest any part of the assets in trustees upon such trusts for the benefit of Members as the Liquidator with the like authority shall think fit, and the liquidation of the Company may be closed and the Company dissolved, but so that no contributory shall be compelled to accept any shares or other property in respect of which there is a liability.

INDEMNITY

148. Subject to the provisions of and so far as may be permitted by the Statutes, every officer of the Company is to be indemnified out of the assets of the Company against any liability (as permitted under the Act) incurred by the officer to a person other than the Company attaching to the officer in connection with any negligence, breach of duty or breach of trust.
149. Subject to the provisions of and so far as may be permitted by the Statutes, every Auditor is to be indemnified out of the assets of the Company against any liability incurred by the Auditor in defending any proceedings, whether civil or criminal, in which judgment is given in the Auditor's favour or which the Auditor is acquitted or in connection with any application under the Act in which relief is granted to the Auditor by the Court in respect of any negligence, default, breach of duty or breach of trust.
150. The Company must not indemnify any person in respect of any costs, charges, losses, expenses and liabilities, or pay any premium for a contract, if and to the extent that the Company is prohibited by law from doing so.

PERSONAL DATA OF MEMBERS

151. (A) A Member who is a natural person is deemed to have consented to the collection, use and disclosure of his personal data (whether such personal data is provided by that Member or is collected through a third party) by the Company (or its agents or service providers) from time to time for any of the following purposes:

- (i) purposes which are reasonably related to any of the above purposes;

(B) Any Member who appoints a proxy and/or representative for any General Meeting and/or any adjournment thereof is deemed to have warranted that where such Member discloses the personal data of such proxy and/or representative to the Company (or its agents or service providers), that Member has obtained the prior consent of such proxy and/or representative for the collection, use and disclosure by the Company (or its agents or service providers) of the personal data of such proxy and/or representative for the purposes specified in Regulation 151(A)(f), and is deemed to have agreed to indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of such Member's breach of warranty.
