ANNOUNCEMENT ON U.S. DECISION TO IMPOSE TARIFFS ON TYRES IMPORTED FROM CHINA

On 11th September 2009 U.S. President Barack Obama announced a decision to impose tariffs on tyres imported from China, which will begin with a 35-percent duty on the first year starting from 26th September and decrease to 30-percent the second year and 25-percent the third year on passenger vehicle and light-truck tyres from China.

The Board of Directors wishes to announce that the Group does not export China-made tyres to the US and that the US decision to impose tariffs on tyres imported from China will have no material impact on the financial results of the Group for the Financial Year ended December 2009.
